DÉPARTEMENT DU SECRÉTAIRE D'ÉTAT DU CANADA.

IL A PLU À SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL de faire les nominations suivantes, savoir :—

OTTAWA, 12 avril 1892.

L'HONORABLE SAMUEL HENRY STRONG, l'un des juges de la Cour Suprême du Canada : Député du Gouverneur général pour sanctionner certains bills passés durant la présente session du parlement du Canada.

9 avril 1892.

DÉPÊCHES.

Circulaire (2).

DOWNING STREET,

5 février 1892.

MILORD,—Vu mes dépêches circulaires du 30 avril 1890 et du 14 février 1891, concernant l'arrestation de criminels-fugitifs, j'ai l'honneur de vous transmettre, ci-jointe, copie d'une lettre du Home Office traitant de l'information sur laquelle des mandats provisoires peuvent être lancés en vertu de l'article 4 de l'Acte des délinquants fugitifs, 1881. M'est avis que pour éviter tout délai possible, la pratique suggérée devrait être adoptée, et en conséquence je suggère, pour la considération de votre gouvernement, que des instructions devraient être données à l'effet que la lettre ou télégramme demandant l'arrestation d'un prétendu fugitif sur un mandat provisoire énonce formellement que l'offense tombe sous la Partie I de l'acte, *i. e.*, est un délit punissable, dans la colonie où il a été commis, par l'emprisonnement avec travail forcé pendant une période de douze mois ou plus. (Art. 9.)

Il a été suggéré au Home Office qu'un signe désignant ce délit soit inséré dans la prochaine édition révisée du Code Télégraphique de Police.

J'ai l'honneur d'être,

Milord,

Votre très obéissant serviteur,

KNUTSFORD.

A l'administrateur
du Gouvernement du Canada.

Le Home Office au Bureau des colonies.

(A 5342 $\frac{1}{2}$.)

WHITEHALL,

4 janvier 1892.

MONSIEUR,—Le Secrétaire d'Etat m'a chargé de vous faire connaître pour le renseignement de Lord Knutsford, qu'il est informé par le magistrat en chef que la Cour de Police de Bow Street est d'opinion que l'information nécessaire pour l'émission d'un mandat provisoire en vertu de l'article 4 de l'Acte des délinquants fugitifs, 1881, devrait énoncer que le fugitif a commis un délit auquel s'applique la Partie I de l'acte, *i. e.* que c'est un délit punissable, dans la colonie où il a été commis, par l'emprisonnement avec travail forcé pendant une période de douze mois ou plus (art. 9), et bien que Sir John Bridge ne partage pas lui-même cette opinion, mais croit au contraire que des mandats provisoires sous l'art. 4 peuvent être accordés sur une information convenable ne spécifiant rien quant à la punition, néanmoins, il est d'opinion que dans le but d'éviter tout délai possible à l'avenir, il serait peut-être à propos de donner instructions par toutes les colonies à l'effet que la lettre ou télégramme demandant l'arrestation du prétendu fugitif sur un mandat provisoire contienne une allégation que le délit est un délit punissable de la manière susdite dans la colonie.

Je dois, en conséquence, suggérer que Lord Knutsford examine s'il ne serait pas désirable de faire parvenir des instructions à cet effet aux autorités coloniales.

Je suis, etc.,

GODFREY LUSHINGTON.

Le Sous-Secrétaire d'Etat,
Bureau des colonies.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que l'arrêté en conseil du 3 janvier 1887, permet de faire dévier, là où c'est nécessaire, le grand chemin qui traverse la municipalité de Westbourne, dans la province du Manitoba, de façon à le faire passer le long de la ligne du chemin de fer Manitoba et Nord-Ouest, conformément à la demande du gouvernement de cette province de réduire à 66 pieds la largeur du dit grand chemin là où il suit la ligne du dit chemin de fer Manitoba et Nord-Ouest, et pour l'arpentage du dit grand chemin ainsi dévié et réduit en largeur à l'effet de le transférer plus tard à la province, suivant les plan et devis ;

Et considérant que l'arpentage ainsi autorisé a été fait par M. C. P. Brown, arpenteur fédéral, et qu'un plan en est déposé au ministère de l'Intérieur,—

Il plaît à Son Excellence, en vertu des dispositions de l'article 3 du chapitre 49 des Statuts Révisés, intitulé "Acte concernant les chemins et réserves de chemins dans la province du Manitoba," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que le grand chemin traversant la municipalité de Westbourne, dans la province du Manitoba, y compris la partie du dit grand chemin large de 66 pieds sur laquelle le chemin de fer Manitoba et Nord-Ouest est maintenant localisé et construit, selon le plan d'arpentage par C. P. Brown, arpenteur fédéral, approuvé, et confirmé par l'arpenteur général le 10e jour de mars 1892, déposé au ministère de l'Intérieur, soit et il est par le présent transféré à la province du Manitoba.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il appert que la marque "Our Gem," choisie comme type pour la fleur de farine dite "Straight roller" par le bureau de délégués qui s'est réunie le 22 octobre 1891 dans le but de choisir des types pour la fleur de farine, était, quant à la couleur, d'une qualité trop élevée pour satisfaire les exigences du marché,—

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par l'Acte d'inspection générale,"

chapitre 99 des Statuts Révisés, tel que modifié par l'Acte 32 Vic., chapitre 16, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et prescrire que le dit type soit et il est par le présent rejeté, et que la marque "White Star" soit et elle est par le présent substituée comme type pour la fleur de farine dite "Straight roller" à compter du 1er jour d'avril 1892.

Vendredi, 25e jour de mars 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par les dispositions de "l'Acte du Revenu de l'Intérieur," chapitre 34 des Statuts Révisés du Canada, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements suivants pour la gouverne des fabricants en entrepôt licenciés en Canada, soient et ils sont par le présent adoptés :—

REGLEMENTS.

1. Des licences pourront être accordées pour manifacter en entrepôt les articles ci-après énumérés, savoir : le vinaigre, fulminate, savon et tous autres articles de commerce dans le procédé de manufacture desquels l'alcool est détruit, et qui ne peut être retiré des produits en résultant, sujettes aux dispositions de l'Acte du Revenu de l'Intérieur, des présents règlements ou de tous autres règlements qui pourront ci-après être passés par autorité compétente.

2. Toute manufacture en entrepôt licenciée en vertu de l'acte précité peut être fermée et privée de sa licence si jamais il est démontré à la satisfaction du ministre du Revenu de l'Intérieur qu'il y a juste cause de croire que des fraudes sont commises au préjudice du revenu par le moyen de telle manufacture.

3. En sus du prix de la licence mentionnée dans l'acte précité, toute personne qui aura obtenu une "licence pour manifacter en entrepôt" devra payer au percepteur du revenu de l'Intérieur, en versements mensuels, telle somme d'argent qui sera suffisante pour le remboursement des dépenses occasionnées par le département du Revenu de l'Intérieur pour la surveillance des manufactures exploitées en vertu de telle licence, et pour tenir compte des articles sujets à des droits consommés dans telle manufacture et des articles qui y sont produits. Et la somme maximum qui devra être ainsi payée par la personne susdite sera de temps à autre déterminée par le ministre du Revenu de l'Intérieur, selon que ce dernier le jugera nécessaire, et devra être, autant que possible, en proportion de l'importance et de la nature générale des opérations faites en vertu de cette licence.

4. Les articles manufacturés en entrepôt seront sortis des appartements de la fabrique où ils ont été manufacturés aussitôt que les procédés de manufacture auront été complétés, et seront alors placés dans des appartements ou hangars réservés à cette fin, et seront soit entreposés selon les règlements d'entrepôt alors en vigueur, ou déclarés à la sortie de la fabrique pour droit, le droit étant perçu d'après les états mensuels du fabricant comme dans le cas d'autres manufactures sujettes aux droits d'accise.

5. Toute demande de licence pour manifacter en entrepôt devra être accompagnée d'une spécification ou formule de tous les articles devant être manufacturés en vertu de cette licence, telle spécification ou formule devant exposer en détail les quantités et proportions de tout ingrédient devant servir à la fabrication de chaque article ; sauf que dans le cas du vinaigre, la quantité réelle de chaque ingrédient à employer (à l'exception de l'eau) sera donnée pour la production de cent gallons de vinaigre étalon.

6. Les articles manufacturés en entrepôt devront être mélangés ou faits conformément à la spécification ou formule fournie avec la demande d'une licence et approuvés par le ministre du Revenu de l'Intérieur.

7. Les percepteurs et officiers en charge des manufactures en entrepôt devront voir, et ils sont par le présent requis de voir que les proportions, pourcentages et quantités énumérées dans la spécification ou formule soient observés strictement et jamais excédés; mais si l'on s'est assuré par une épreuve d'aucun des articles fabriqués que l'alcool a été employé dans la préparation des articles en une proportion plus forte que celle mentionnée dans la dite spécification ou formule, le droit exigible sur les spiritueux sera perçu sur le surplus de l'alcool ainsi constaté, ce surplus devant être computé sur la quantité de l'article ou des articles ainsi produits depuis que la licence a été accordée; de plus, le fabricant sera sujet à la privation de sa licence en même temps qu'aux autres pénalités mentionnées dans "l'Acte du Revenu de l'Intérieur."

8. Le dessous des planchers de tous les appartements d'entrepôt où sont déposés ou emmagasinés les spiritueux ou autres articles sujets à des droits d'accise, durant le temps de leur fabrication, devra, s'il se trouve en dessous un espace ou appartement, être lambrissé ou latté à la satisfaction de l'inspecteur.

9. Le vinaigre sujet aux droits produit dans toute manufacture en entrepôt devra être dans la proportion de 100 gallons de vinaigre étalon, contenant 6 pour 100 d'acide acétique en sus de la quantité requise pour le coupage ou employée dans la production d'autre vinaigre, pour 25 gallons de spiritueux de preuve apportés dans la manufacture et employés à sa production, avec telle addition à la quantité étalon de vinaigre qui, dans l'opinion du département du Revenu de l'Intérieur, peut raisonnablement provenir de tout autre article, tel que la bière sûre, le vin, l'acide acétique, ou tout article du même genre apporté dans la manufacture, en sus de l'alcool employé à sa production.

10. En évaluant la quantité de spiritueux employés dans une manufacture en entrepôt pendant une période quelconque, pour la production du vinaigre, l'inspecteur se guidera sur les livres tenus par le fabricant tel que le veut la loi, ou sur la quantité réelle découverte par l'inventaire, ainsi, en ajoutant à la quantité en mains au commencement de la période la quantité rentrée, et en en déduisant la quantité réelle trouvée en fonds, la différence pourra être prise comme étant la quantité employée; néanmoins on doit allouer une certaine marge pour l'alcool qui pourrait se trouver dans le tonneau de coupage ou de composition au commencement et à la fin de la période, mais rien ne devra être alloué pour la quantité qu'on dit être en voie de fabrication dans les générateurs au commencement ou à la fin de la période pour laquelle le calcul est fait.

11. Le pourcentage de l'acide acétique contenu dans le vinaigre aussi produit dans une manufacture en entrepôt sera déterminé par telles épreuves chimiques ordinaires faites avec les appareils qui pourront être de temps à autre prescrits par règlements ou instructions du ministre du Revenu de l'Intérieur à cet effet.

12. Les officiers du revenu de l'Intérieur pourront en tout temps prendre, suivant qu'ils le jugeront nécessaire, des échantillons de n'importe quel baril de vinaigre ou autre article fait dans la manufacture ou qui y aura été apporté pour en déterminer la force et la qualité. Les échantillons ainsi éprouvés seront envoyés au département pour être vérifiés, et dans le cas où la preuve faite par ce dernier différerait avec celle faite par l'officier en charge de la manufacture, l'épreuve faite par le département sera considérée comme finale.

13. Tous colis de spiritueux et tous autres articles ou matériaux apportés dans la manufacture, qu'ils soient sujets aux droits de douane ou d'accise, ou non, seront immédiatement placés dans un appartement approprié à cette fin et enfermés au moyen d'un cadenas du gouvernement dont l'unique clef sera confiée à la garde exclusive d'un officier du revenu de l'Intérieur; et aucun spiritueux ou autre article ne sera enlevé de cet appartement ainsi fermé à clef si ce n'est en présence de l'officier qui est le gardien actuel de la clef; et en sa présence chaque article sorti de l'appartement fermé sera immédiatement transporté à la salle de coupage ou à celle où il doit être utilisé et appliqué aux fins qu'on se propose.

14. Tous colis contenant des spiritueux expédiés à des manufactures en entrepôt auront les mots "non

potables" imprimés sur les deux bouts du colis, en lettres de pas moins de deux pouces de hauteur, $\frac{3}{4}$ de pouce de largeur, et d'une couleur différente de celle employée pour les autres marques sur le colis.

15. Soit que les spiritueux soient indigènes ou importés, la marque sera apposée par le vendeur avant qu'ils ne laissent sa fabrique; mais si le fabricant en entrepôt est lui-même l'importateur, il fera apposer la marque à un port de douane, et avant de quitter la douane où les spiritueux sont examinés.

16. Les spiritueux ne seront transportés à une manufacture en entrepôt que sur un permis contresigné par le percepteur; ce permis portera les mots "non potable," écrits distinctement en travers de sa face.

17. Si la manufacture en entrepôt et la fabrique de l'expéditeur sont situées dans des divisions distinctes, une copie du permis (K 4, qui, dans ce cas sera fait en double) devra accompagner la facture, et les spiritueux seront consignés au percepteur de la division destinataire.

18. Le double du permis doit être désigné comme tel, et sur le talon du livret de permis ce double pourra être constaté en référant au numéro général primitif.

19. Dans tous les cas, le percepteur doit dépêcher un fonctionnaire en sus du fonctionnaire en charge de la manufacture en entrepôt, afin de peser et éprouver les spiritueux, et voir à ce qu'ils soient mis sous clef dans la manufacture en entrepôt, et de certifier le fait par écrit sur le permis.

20. Les spiritueux ne seront pas enlevés d'une manufacture en entrepôt sans la permission par écrit du ministre du Revenu de l'Intérieur, et alors seulement jusqu'à une autre manufacture ou une distillerie licenciée.

21. Les mots "non potables" seront mis bien visiblement sur toutes les déclarations de mutation, ou autres documents officiels, employés en rapport avec le transport de spiritueux à une manufacture en entrepôt.

22. Il ne sera emmagasiné dans les manufactures aucun article autre que ceux qui doivent entrer dans la fabrication des articles énumérés dans la spécification ou formule accompagnant la demande d'une licence.

23. Toute marque d'accise faite sur un colis quelconque dans lequel des articles sujets aux droits sont transportés dans une manufacture en entrepôt devra être complètement effacée et enlevée de ce colis aussitôt qu'il est vidé.

24. Il ne sera pas permis à une personne licenciée comme fabricant en entrepôt de faire le commerce de vente ou achat de spiritueux ou boissons spiritueuses dans la maison pour laquelle telle licence a été prise, non plus que dans une maison située dans un rayon de cinq cents verges de telle maison licenciée, à moins que tels achat et vente soient une conséquence nécessaire du genre d'affaires pour lequel la licence aura été accordée, et que permission pour exercer tel genre d'affaires soient spécialement accordée dans la licence.

25. Il ne sera apporté dans une manufacture en entrepôt aucun spiritueux dont les droits auront été acquittés (excepté les articles sur lesquels la différence entre les droits d'accise et de douane a été payée en vertu du statut 49 Victoria, chapitre 34, section 234.)

26. Attendu que par le 234e article de l'acte du parlement du Canada, 49 Vic., chap. 34, intitulé "Acte du Revenu de l'Intérieur," il est statué que lorsque des articles n'étant pas de la provenance du Canada, sur lesquels un droit d'accise aurait été prélevé s'ils eussent été produits en Canada, seront introduits dans une manufacture à l'entrepôt, la différence entre les droits d'accise dont ils auraient été ainsi frappés et les droits de douane qui auraient été prélevés sur ces articles, s'ils eussent été importés et déclarés pour la consommation, sera payée comme droit d'accise lorsque ces articles seront introduits dans la manufacture à l'entrepôt; mais dans le cas de spiritueux destinés à être employés seulement pour des fins chimiques ou de manufacture, les dispositions précédentes du présent article pourront être modifiées en tout ou en partie, par le Gouverneur en conseil, pourvu qu'il n'en résulte aucune augmentation de droits."—Il a plu à Son Excellence en conseil, en conformité des dispositions précitées d'ordonner, et il est par le présent ordonné, que le droit exigible sur les spiritueux étrangers, lorsque portés dans aucune manufacture en

entrepôt dûment licenciée, sera déterminé au taux de trente centins (30c.) par gallon de preuve.

27. Des magasiniers (*stock books*) seront tenus dans la manufacture, dans lesquels seront inscrits :—

1. La quantité de chaque espèce d'articles ou de denrées apportés à la manufacture et son équivalent en spiritueux, et dans le cas de spiritueux les détails de chaque colis, spécifiant où ils ont été fabriqués, la force et quantité, les marques, etc., sur les barils, et le numéro général des permis en vertu desquels ils ont été transportés à la fabrique ;

2. La quantité de chaque espèce d'articles ou de denrées employés à la production des articles fabriqués, faits dans la fabrique, et son équivalent en spiritueux, donnant les détails de chaque quantité mélangée, indiquant les marques, etc., des colis primitifs d'où ils ont été pris ;

3. La quantité de chaque espèce d'articles ou de denrées enlevés de la fabrique, ou dont on a disposé autrement que pour la production des articles fabriqués ou faits ;

4. La quantité de chaque espèce d'articles ou de denrées fabriqués, faits ou produits chaque jour ;

5. La quantité du produit fabriqué enlevé de la fabrique ;

6. La quantité déclarée pour l'entrepôt, et

7. La quantité sortie de l'entrepôt et déclarée pour le paiement du droit à la sortie de l'entrepôt.

28. Tout vinaigre sortant des générateurs et ayant une force de 3 pour 100 ou plus d'acide acétique devra être transporté directement aux récipients fermés, et là devra être jaugeé et éprouvé avant d'être pris pour le coupage ou autrement.

La quantité requise pour le "coupage" lorsqu'elle n'excèdera pas la quantité mentionnée dans la spécification ou formule, sera donnée par le fonctionnaire quand il en sera requis, et à la fin du mois la quantité totale prise sera déduite de la production totale de vinaigre dans la fabrique, laissant la balance comme la quantité réelle de vinaigre imposable produite.

29. A compter du premier jour de juillet 1888, il ne sera rien alloué au fabricant pour les quantités de spiritueux supposées être en voie de fabrication dans les générateurs, le département se désistant de toute réclamation contre le fabricant pour un nombre équivalent de gallons de vinaigre étalon, aucune telle quantité ne sera non plus prise en considération dans tout inventaire ou répartition qui aurait à être faite en cas de déficit dans la production.

30. Quand du vinaigre est transporté des générateurs à travers des appartements non fermés à clef de la fabrique, il devra être transporté dans des tuyaux fermés convenablement assujétis.

31. Si l'inspecteur des manufactures en entrepôt, ou tout autre officier supérieur de l'accise en aucun temps en visitant une manufacture en entrepôt, remarque quelque chose qui, dans son opinion, pourrait causer une perte de revenu ou gêner sa perception, ou qui pourrait présenter des facilités pour la fraude, il est autorisé de donner des instructions quant aux changements qu'il croira à propos pour la protection convenable du revenu, et le fabricant ou son agent se conformera à ces instructions ; et si ces changements ne sont pas faits dans le cours de dix jours sa licence lui sera retirée.

32. Tous arrêtés en conseil relatifs à la manufacture d'articles en entrepôt déjà émis ou établis, sont par le présent annulés.

33. Le ministre du Revenu de l'Intérieur pourra établir les épreuves pour déterminer le pourcentage de spiritueux libres contenus dans le vinaigre, et pourra disposer de tout vinaigre trouvé contenant ces spiritueux libres, selon qu'il jugera nécessaire pour la protection convenable du revenu.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 4e jour d'avril 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence après avoir pris en considération le tarif des péages sur les canaux du Canada, et les divers arrêtés en conseil en vertu desquels un taux spécial a été, de temps à autre, établi temporairement sur certains produits alimentaires passant par le canal Welland et par les canaux du Saint-Laurent en destination de Montréal et de ports à l'est de Montréal, d'ordonner, en vertu des pouvoirs qui lui sont conférés par le chapitre 37 des Statuts Révisés, intitulé “Acte concernant le département des Chemins de fer et Canaux,” et par et de l'avis du Conseil Privé de la Reine pour le Canada, que les modifications suivantes soient, et elles sont par le présent apportées au tarif des péages en vigueur sur les dits canaux, savoir :—

Une remise sera faite d'une partie des péages perçus sur le blé, le maïs, les pois, l'orge, le seigle, l'avoine, la graine de lin et le sarrasin qui ont passé par le canal Welland et les canaux du St-Laurent en destination de Montréal ou de tout port à l'est de Montréal, dans tous les cas où les dits produits ainsi transportés sont exportés et dans ces cas seulement.

La remise sera de nature à réduire les péages à deux centins par tonneau des dits produits ou aucun d'eux, et les conditions de cette remise seront les suivantes :

On devra démontrer que les produits susdits, sur lesquels la remise sera réclamée ont été en premier lieu expédiés en destination de Montréal ou de quel que port à l'est de Montréal, qu'ils ont été transportés à Montréal ou à quelque port à l'est de Montréal et réellement expédiés hors du pays.

Le droit à la remise susdite ne sera pas perdu par le transbordement intermédiaire, pourvu qu'il ait lieu à un endroit en dedans des limites du Canada.

Toutes parties de chargement débarquées au Port Colborne et réexpédiées du Port Dalhousie, et tous chargements des produits sus-nommés d'un port canadien du Lac Ontario, auront aussi droit à cette remise.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Government and the Government of the United States
in relation to the Fur Seal Fisheries in Behring Sea,
was concluded on the fifteenth day of June, in the
year of Our Lord one thousand eight hundred and
ninety-one, on the following terms, that is to say :—

“Agreement between the Government of Her Bri-
tannic Majesty and the Government of the United

States for a *modus vivendi* in relation to the Fur Seal
Fisheries in Behring Sea,—

“For the purpose of avoiding irritating differences
and with a view to promote the friendly settlement
of the questions pending between the two Govern-
ments touching their respective rights in Behring Sea,
and for the preservation of the Seal species, the follow-
ing agreement is made without prejudice to the rights
or claims of either party :—

“(1.) Her Majesty’s Government will prohibit, until
May next, seal killing in that part of Behring Sea,
lying eastward of the line of demarcation described in
Article No. 1 of the Treaty of 1867, between the
United States and Russia, and will promptly use its
best efforts to ensure the observance of this prohibition
by British subjects and vessels ;

“(2.) The United States Government will prohibit
seal killing for the same period in the same part of
Behring Sea and on the shores and islands thereof,
the property of the United States (in excess of 7,500
to be taken on the islands for the subsistence and care
of the natives), and will promptly use its best efforts
to ensure the observance of this prohibition by United
States citizens and vessels ;

“(3.) Every vessel or person offending against this
prohibition in the said waters of Behring Sea, outside
of the ordinary territorial limits of the United States,
may be seized and detained by the naval or other duly
commissioned officers of either of the High Contract-
ing Parties, but they shall be handed over as soon as
practicable to the authorities of the nation to which
they respectively belong, who shall alone have jurisdic-
tion to try the offence and impose the penalties for
the same. The witnesses and proofs necessary to
establish the offence shall also be sent with them ;

“(4.) In order to facilitate such proper inquiries as
Her Majesty’s Government may desire to make, with
a view to the presentation of the case of that Govern-
ment before arbitrators, and in expectation that an
agreement for arbitration may be arrived at, it is
agreed that suitable persons designated by Great Bri-
tain will be permitted at any time, upon application,
to visit or to remain upon the seal islands during the
present sealing season for that purpose.

“Signed and sealed in duplicate at Washington, this
fifteenth day of June, 1891, on behalf of their respec-
tive Governments, by Sir Julian Pauncefote, G.C.M.G.,
K.C.B., H. B. M. Envoy Extraordinary and Minister
Plenipotentiary, and William F. Wharton, Acting
Secretary of State of the United States.

“(Signed) JULIAN PAUNCEFOTE. [Seal].

“(Signed) WILLIAM F. WHARTON.” [Seal].

AND WHEREAS an arrangement has just been con-
cluded between Our Government and the Government
of the United States for the continuation until the
thirty-first day of October, in the year of Our Lord
one thousand eight hundred and ninety-three of the

said agreement and of the provisions therein made for the prohibiting of the said killing in the Behring Sea, as therein described,—

Now KNOW YE, that We have by this Our Royal Proclamation caused the said agreement and the arrangement continuing the same to be made public, to the end that the same and every part thereof may be observed and fulfilled with good faith by all Our loving subjects.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

DESPATCHES.

Circular (2).

DOWNING STREET,
5th February, 1892.

MY LORD,—With reference to my circular despatches of the 30th of April, 1890, and 14th February, 1891, relating to the arrest of fugitive offenders, I have the honour to transmit herewith a copy of a letter from the Home Office on the subject of the information on which provisional warrants may be issued under section 4 of the Fugitive Offenders Act, 1881. It appears to me that, in order to avoid any possible delay, the practice suggested should be adopted, and I therefore suggest for the consideration of your Government that instructions should be given that the letter or telegram asking for the apprehension of an alleged fugitive on a provisional warrant should formally state that the offence is one to which Part I of the Act applies, *i. e.* an offence punishable in the Colony where committed by imprisonment with hard labour for a term of twelve months or more. (Sec. 9.)

It has been suggested to the Home Office that a code word signifying this description of the offence should be inserted in the forthcoming revised edition of the Police Telegraph Code.

I have the honour to be,
My Lord,
Your most obedient, humble servant,
KNUTSFORD.

The Officer Administering
The Government of Canada.

The Home Office to the Colonial Office.

(A 5342½.)

WHITEHALL,
4th January, 1892.

SIR,—I am directed by the Secretary of State to acquaint you, for the information of Lord Knutsford, that he is informed by the Chief Magistrate that the opinion has been held at Bow Street Police Court that the information for the issue of a provisional warrant under section 4 of the Fugitive Offenders Act, 1881, should contain the allegation that the fugitive has committed an offence to which Part I of the Act applies, *i. e.* an offence punishable in the Colony where committed by imprisonment with hard labour for a term of twelve months or more (sec. 9), and although Sir John Bridge does not himself hold this view, but considers that provisional warrants under section

4 may be granted on a proper information which need not contain anything as to the punishment, he is nevertheless of opinion that to avoid any possible delay in the future, it might be convenient to give instructions throughout the Colonies for the letter or telegram asking for the apprehension of an alleged fugitive on a provisional warrant to contain an allegation that the offence is one punishable in the Colony in the manner above mentioned.

I am accordingly to suggest that Lord Knutsford should consider whether it would not be desirable to issue instructions to such effect to the Colonial Authorities.

I am, &c.,

GODFREY LUSHINGTON.

The Under-Secretary of State,
Colonial Office.

41-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of March, 1892.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, under the authority conferred upon him by the provisions of "The Inland Revenue Act," chapter 34 of the Revised Statutes of Canada, and by and with the advice of the Queen's Privy Council for Canada, has been pleased to order that the following regulations for the governance of Licensed Bonded Manufacturers in the Dominion of Canada be and the same are hereby adopted:—

REGULATIONS.

1. Subject to the provisions of the Inland Revenue Act, to these regulations, and to such further regulations as may hereafter be made by competent authority, licenses may be granted to manufacture in bond the articles herein enumerated, viz:—Vinegar, fulminate, soap and any other articles of commerce in the process of manufacturing of which alcohol is destroyed, and from the resultant products of which it cannot be recovered.

2. Any bonded manufactory licensed under the above recited Act may be closed and the license forfeited, whenever it is shown to the satisfaction of the Minister of Inland Revenue that there is just cause for believing that frauds upon the Revenue are being perpetrated in connection with such manufactory.

3. In addition to the license fee named in the Act above cited, every person to whom a "Bonded Manufacturing License" is granted, shall pay to the Collector of Inland Revenue, in monthly instalments, such sums of money as shall be sufficient for the payment of the expenses incurred by the Inland Revenue Department for the effective supervision of the manufactures carried on under such license, and for taking account of the dutiable articles consumed in such manufacture, and of the articles produced therefrom; and the maximum sum to be so paid by the party aforesaid, shall from time to time be determined by the Minister of Inland Revenue, as he may deem necessary, and shall, as nearly as may be, be in proportion to the magnitude and general character of the business carried on under such license.

4. Goods manufactured in bond shall be removed from the apartments of the manufactory wherein the same were made as soon as the process of manufacture is completed and shall then be placed in compartments or store rooms set apart for that purpose, and be either warehoused as per warehousing regulations then in force or entered ex-factory for duty, the duty to be collected on the monthly returns of the manufacturer as in the case of other manufactures subject to Excise.

5. With every application for a license to manufacture in bond there shall be submitted a specification or formula of all the articles to be manufactured thereunder, which specification or formula shall also set forth in detail the percentage or proportion of every ingredient to be used in the manufacture of each article, except that in the case of vinegar, the actual quantity of each ingredient to be used (water excepted) shall be given, for the production of one hundred gallons of standard vinegar.

6. The articles manufactured in bond shall be compounded carefully in accordance with the specification or formula submitted with the application for the license and approved by the Minister of Inland Revenue.

7. Collectors and officers in charge of bonded manufactures shall be, and they are hereby required,

to see that the percentages, proportions and quantities set forth in the specification or formula are closely adhered to and in no case exceeded; but should it be ascertained by any process or by any test of any of the articles made that a greater proportion or percentage of alcohol has been used in the preparation thereof than is set forth in the specification or formula, the duty exigible upon spirits shall be collected upon the excess of alcohol so ascertained, which may be computed upon the article or articles made during the currency of the license then in force, and the manufacturer shall also be liable to the penalty of forfeiting his license as well as the other penalties set forth in the "Inland Revenue Act."

8. The under side of the flooring joists of all bonded apartments in which spirits or other goods subject to Excise duty are stored or placed while under any process of manufacture, shall, if there is any space or other apartment below them, be sheeted or lathed to the satisfaction of the inspecting officer.

9. Dutiable vinegar produced in any bonded factory shall be in the proportion of 100 gallons of standard vinegar containing 6 per cent. of acetic acid, over and above the quantity taken for "mix" or used in the further production of vinegar to 25 gallons of proof spirits taken into the manufactory and used for its production, with such addition to the standard quantity of vinegar as may, in the opinion of the Minister of Inland Revenue, be fairly due to any other article such as sour beer, or wine, acetic acid, or any like article brought into the manufactory, in addition to the alcohol used for its production.

10. In estimating the quantity of spirits used in any bonded manufactory during any period, for the production of vinegar, the inspector shall be guided by the books kept by the manufacturer as required by law or by the actual quantity discovered by stock-taking, thus by adding to the quantity on hand at commencement of period the quantity brought in and deducting therefrom the actual quantity found in stock, the difference may be taken as the quantity used, nevertheless due allowance must be made for the alcohol, that may be in process in the mixing or compounding tub at the beginning and end of the period, but no allowance whatever shall be made for the quantity said to be in process in the generators at the beginning or end of the period for which the calculation is being made.

11. The percentage of acetic acid contained in any vinegar produced in any such bonded factory shall be determined by such established chemical tests, applied by such apparatus, as may from time to time be directed by regulations or instructions made in that behalf by the Minister of Inland Revenue.

12. The officers of Inland Revenue may, at any time, take such samples from any of the packages of vinegar, or other article made in, or brought into any bonded manufactory as may be deemed necessary for determining their strength or quality. Samples of each package so tested shall be sent to the Department for confirmation, and in case the departmental test is at variance with the test so made by the officer in charge of the manufactory, then the test made at the Department shall be final.

13. Every package of spirits and every other article or material brought into any bonded factory, whether subject to Excise or Customs duty, or not, shall be immediately placed in an apartment appropriated thereto and secured by a crown lock, the sole key whereof shall be in the exclusive custody of an officer of Inland Revenue; and no spirits or other article shall be removed from such locked apartment, except in the presence of the officer who has the key thereof for the time being, and in his presence every article removed from such locked apartment shall be immediately conveyed to the mixing room or other place where it is to be used and applied to the purpose for which it is intended.

14. All packages containing spirits shipped to bonded factories shall have the word "non-potable" over-printed on both ends of the package, in letters not less than 2 inches in height and $\frac{3}{4}$ of an inch in width, and in a colour different from that used for the other marks on the package.

15. Whether the spirits be domestic or imported, the branding shall be done by the vendor before they leave his premises, but if the bonded manufacturer be

himself the importer, he shall have the branding done at a port of entry, and before leaving the Customs premises where the spirits are examined.

16. Spirits shall be removed to a bonded factory only upon a permit countersigned by the Collector, which shall have the words "non-potable" distinctly written across its face.

17. If the bonded factory and the shipper's premises are situated in separate divisions, one copy of the permit (K 4, which will, in this case, be made in duplicate) shall accompany the Bill of Lading, and the spirits shall be consigned to the Collector of the receiving Division.

18. The duplicate permit must be designated as such and on stub of permit book may be accounted for by referring to original general number.

19. In all cases the Collector shall detail an officer in addition to the officer in charge of the bonded factory, to weigh and test the spirits and see them placed under lock in the bonding warehouse of the factory, and to certify the fact in writing upon the permit.

20. Spirits shall not be removed from a bonded factory without the written permission of the Minister of Inland Revenue, and then only to another bonded factory or to a licensed distillery.

21. The word "non-potable" shall be conspicuously placed upon all removal entries, or other official documents, used in connection with the removing of spirits to a bonded factory.

22. No articles shall be kept or stored in any bonded manufactory other than such as are to be used in the manufacture of articles enumerated in the specification or formula accompanying the application for license.

23. Every Excise mark on every package in which any excisable goods are taken to any bonded manufactory, shall be completely erased and removed from such package as soon as emptied.

24. No person licensed as a manufacturer in bond shall carry on any trade of buying or selling spirits or spirituous liquors on the premises for which such license is granted, nor in any other premises situated within five hundred yards of such licensed premises, except in so far as such buying and selling is a necessary consequence of the business for which the license is granted, and permission to carry on such business is specially granted in the license.

25. No duty-paid spirits (except spirits on which the difference between Customs and Excise duty has been paid under 49 Vic., chap. 34, sec. 234) shall be taken into any bonded manufactory.

26. Whereas by the 234th section of the Act of the Parliament of Canada, 49 Vic. chap. 34, intitled "The Inland Revenue Act," it is provided that "whenever any article not the produce of Canada upon which the duty of Excise would be levied if produced in Canada, is taken into a bonded manufactory, the difference between the duty of Excise to which it would be so liable and the Customs duty which would be levied on such article if so imported and entered for consumption shall be paid as a duty of Excise when it is taken into the bonded manufactory; but in the case of spirits to be used for any chemical or manufacturing purpose only, the foregoing provisions of this section may be varied, in whole or in part by the Governor in Council, provided that no increase of duties shall accrue therefrom,"—His Excellency in Council, in pursuance of the provisions above recited, has been pleased to order, and it is hereby ordered, that the duty exigible upon foreign spirits, when taken into any duly licensed bonded manufactory, shall be determined at the rate of thirty cents (30c.) per proof gallon.

27. Stock books must be kept in the factory, in which must be entered:—

1st. The quantity of each description of article or commodity brought into the factory, and the spirit equivalent thereof, and in the case of spirits the particulars of every package, stating where manufactured, the strength and quantity, the marks, &c., on the casks, and the general numbers of the permits under which it was conveyed to the factory.

2nd. The quantity of each description of article or commodity used in the production of the manufactured articles made in the manufactory, and the

spirit equivalent thereof, giving the particulars of every quantity mixed, showing the marks, &c., of the original packages from which they were taken.

3rd. The quantity of each description of article or commodity removed from the factory, or disposed of otherwise than for the production of the articles therein manufactured or made.

4th. The quantity of each description of manufactured article or commodity made or produced on each day.

5th. The quantity of manufactured product removed from the factory.

6th. The quantity entered for warehouse, and

7th. The quantity ex-warehoused and entered for duty ex-factory.

28. All vinegar running from generators having a strength of 3 per cent or more of acetic acid must be conveyed directly to the closed receivers and must there be gauged and tested before being taken for "mix" or otherwise.

The quantity required for "mix" when not exceeding the quantity stated in the specification or formula will be given by the officer when required, and at the end of the month the total quantity taken will be deducted from the total production of vinegar in the manufactory, leaving the balance as the actual quantity of dutiable vinegar produced.

29. On and after the first day of July, 1888, no allowance shall be made to the manufacturer for the quantities of spirits supposed to be in process in the generators, the Department giving up all claim against the manufacturer for an equivalent number of gallons of standard vinegar, nor shall such quantity be taken into consideration in any stock-taking or assessment that may have to be made in case of a deficiency of production.

30. When vinegar is conveyed from the generators through unlocked compartments of the factory, it must be conveyed in closed pipes properly secured.

31. Should the Inspector of Bonded Manufactories, or any other superior officer of Excise at any time, on visiting a bonded manufactory observe anything which in his judgment might lead to a loss of revenue or interfere with its proper collection, or that might offer facilities for fraud, he is empowered to give instructions as to the changes he may deem necessary for the proper protection of the revenue and such instructions shall be complied with by the manufacturer or his agent, and if said changes be not made within the space of ten days his license shall be forfeited.

32. All Orders in Council in respect of the manufacture of goods in bond previously issued or established are hereby cancelled.

33. The Minister of Inland Revenue may provide such tests for determining the percentage of free spirits contained in vinegar, and may deal with any vinegar found to contain such free spirits as may be deemed necessary for the proper protection of the revenue.

JNO. S. D. THOMPSON, } **A**TTENDU qu'une convention pour un *modus vivendi* entre Notre

gouvernement et le gouvernement des Etats-Unis relativement aux pêcheries de phoques à fourrure dans la mer de Behring, a été conclue le quinzième jour de juin dans l'année de Notre-Seigneur mil huit cent quatre-vingt-onze, aux termes ci-dessous, savoir :—

“Convention entre le gouvernement de Sa Majesté Britannique et le gouvernement des Etats-Unis établissant un *modus vivendi* relativement aux pêcheries de phoques à fourrure dans la mer de Behring,—

“Dans le but d'éviter des différends irritants, et en vue d'amener un règlement à l'amiable des questions pendantes entre les deux gouvernements touchant leurs droits respectifs dans la mer de Behring, et pour la conservation des phoques comme espèce, la convention suivante est conclue sans préjudice des droits ou prétentions de l'une ou l'autre partie :—

“(1.) Le gouvernement de Sa Majesté défendra, jusqu'au mois de mai prochain, de tuer des phoques dans cette partie de la mer de Behring située à l'est d'une ligne de démarcation décrite dans l'article No 1 du traité de 1867 entre les Etats-Unis et la Russie, et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les sujets et vaisseaux britanniques ;

“(2.) Le gouvernement des Etats-Unis défendra de tuer des phoques pendant la même période dans la même partie de la mer de Behring et sur ses rives et îles, appartenant aux Etats-Unis (en sus des 7,500 qui peuvent être pris sur les îles pour la subsistance et le soin des naturels), et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les citoyens et vaisseaux des Etats-Unis ;

“(3.) Tout vaisseau ou toute personne qui violera cette défense dans les dites eaux de la mer de Behring en dehors des limites territoriales ordinaires des Etats-Unis, pourra être saisi et détenu par les officiers de marine ou autres officiers dûment commissionnés de l'une ou l'autre Haute Partie Contractante, mais ce vaisseau ou cette personne seront délivrés aussitôt que possible aux autorités de la nation à laquelle ils appartiennent respectivement, qui seules auront juridiction pour juger l'infraction et imposer les peines encourues. Les témoins et preuves nécessaires pour établir l'infraction seront aussi envoyées en même temps que le prévenu ;

“(4.) Afin de faciliter les enquêtes que le gouvernement de Sa Majesté pourra désirer instituer dans le but de soumettre la cause du gouvernement à des arbitres, et dans l'espoir qu'un arrangement d'arbitrage pourra être conclu, il est convenu que des personnes convenables désignées par la Grande-Bretagne pourront en tout temps, sur demande à cet effet, visiter ou demeurer sur les îles à phoques, pendant la présente saison de pêche, dans ce but.

“Signée et scellée en double à Washington, ce quinzième jour de juin 1891, aux noms de leurs gouvernements respectifs, par sir Julian Pauncefote, G.C.M.G., C.C.B., Envoyé extraordinaire et ministre plénipotentiaire de S.M.B., et William F. Wharton, secrétaire d'Etat intérimaire des Etats-Unis.

DÉPÊCHES.

Circulaire (2).

DOWNING STREET,
5 février 1892.

MILORD.—Vu mes dépêches circulaires du 30 avril 1890 et du 14 février 1891, concernant l'arrestation de criminels fugitifs, j'ai l'honneur de vous transmettre, ci-jointe, copie d'une lettre du Home Office traitant de l'information sur laquelle des mandats provisoires peuvent être lancés en vertu de l'article 4 de l'Acte des délinquants fugitifs, 1881. M'est avis que pour éviter tout délai possible, la pratique suggérée devrait être adoptée, et en conséquence je suggère, pour la considération de votre gouvernement, que des instructions devraient être données à l'effet que la lettre ou télégramme demandant l'arrestation d'un prétendu fugitif sur un mandat provisoire énonce formellement que l'offense tombe sous la Partie I de l'acte, *i. e.*, est un délit punissable, dans la colonie où il a été commis, par l'emprisonnement avec travail forcé pendant une période de douze mois ou plus. (Art. 9.)

Il a été suggéré au Home Office qu'un signe désignant ce délit soit inséré dans la prochaine édition révisée du Code Télégraphique de Police.

J'ai l'honneur d'être,
Milord,

Votre très obéissant serviteur,
KNUTSFORD.

A l'administrateur
du Gouvernement du Canada.

Le Home Office au Bureau des colonies.

(A 5342½.)

WHITEHALL,
4 janvier 1892.

MONSIEUR.—Le Secrétaire d'Etat m'a chargé de vous faire connaître pour le renseignement de Lord Knutsford, qu'il est informé par le magistrat en chef que la Cour de Police de Bow Street est d'opinion que l'information nécessaire pour l'émission d'un mandat provisoire en vertu de l'article 4 de l'Acte des délinquants fugitifs, 1881, devrait énoncer que le fugitif a commis un délit auquel s'applique la Partie I de l'acte, *i. e.* que c'est un délit punissable, dans la colonie où il a été commis, par l'emprisonnement avec travail forcé pendant une période de douze mois ou plus (art. 9), et bien que Sir John Bridge ne partage pas lui-même cette opinion, mais croit au contraire que des mandats provisoires sous l'art. 4 peuvent être accordés sur une information convenable ne spécifiant rien quant à la punition, néanmoins, il est d'opinion que dans le but

d'éviter tout délai possible à l'avenir, il serait peut-être à propos de donner instructions par toutes les colonies à l'effet que la lettre ou télégramme demandant l'arrestation du prétendu fugitif sur un mandat provisoire contienne une allégation que le délit est un délit punissable de la manière susdite dans la colonie.

Je dois, en conséquence, suggérer que Lord Knutsford examine s'il ne serait pas désirable de faire parvenir des instructions à cet effet aux autorités coloniales.

Je suis, etc.,

GODFREY LUSHINGTON.

Le Sous-Secrétaire d'Etat,
Bureau des colonies.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 21e jour de mars 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

VU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces nets étaient relevés entre 9 a.m., et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

Rets à maquereau.

1. Nuls rets à maquereau, hareng ou gaspereaue employés dans le but de prendre du maquereau, du hareng ou du gaspereaue ne seront tendus ou laissés tendus à la surface ou dans les douze pieds de la surface de l'eau entre 9 heures a.m. et 5 heures p.m., depuis le 1er jour de juin jusqu'au 31e jour d'août inclusivement, de chaque année, et tous rets trouvés dans l'eau durant les heures ci-dessus mentionnées, alors que les conditions de température sont telles que ces rets puissent être relevés, seront confisqués au bénéfice de Sa Majesté, et le propriétaire ou celui qui les emploie sera passible de toutes autres peines que la loi décrète.

2. Nulle flotte de rets à mailles d'une plus grande longueur que 60 brasses ne sera tendue dans un même ancrage entre le 1er jour de juin et le 31e jour d'août, ces deux jours inclusivement, sous peine des amendes prescrites par la loi.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que l'arrêté en conseil du 3 janvier 1887, permet de faire dévier, là où c'est nécessaire, le grand chemin qui traverse la municipalité de Westbourne, dans la province du Manitoba, de façon à le faire passer le long de la ligne du chemin de fer Manitoba et Nord-Ouest, conformément à la demande du gouvernement de cette province de réduire à 66 pieds la largeur du dit grand chemin là où il suit la ligne du dit chemin de fer Manitoba et Nord-Ouest, et pour l'arpentage du dit grand chemin ainsi dévié et réduit en largeur à l'effet de le transférer plus tard à la province, suivant les plan et devis ;

Et considérant que l'arpentage ainsi autorisé a été fait par M. C. P. Brown, arpenteur fédéral, et qu'un plan en est déposé au ministère de l'Intérieur,—

Il plaît à Son Excellence, en vertu des dispositions de l'article 3 du chapitre 49 des Statuts Révisés, intitulé "Acte concernant les chemins et réserves de chemins dans la province du Manitoba," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que le grand chemin traversant la municipalité de Westbourne, dans la province du

Manitoba, y compris la partie du dit grand chemin large de 66 pieds sur laquelle le chemin de fer Manitoba et Nord-Ouest est maintenant localisé et construit, selon le plan d'arpentage par C. P. Brown, arpenteur fédéral, approuvé et confirmé par l'arpenteur général le 10^e jour de mars 1892, déposé au ministère de l'Intérieur, soit et il est par le présent transféré à la province du Manitoba.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par les dispositions de "l'Acte du Revenu de l'Intérieur," chapitre 34 des Statuts Révisés du Canada, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements suivants pour la gouverne des fabricants en entrepôt licenciés en Canada, soient et ils sont par le présent adoptés :—

Toute manufacture en entrepôt licenciée en vertu de l'acte précité peut être fermée et privée de sa licence si jamais il est démontré à la satisfaction du ministre du Revenu de l'Intérieur qu'il y a juste cause de croire que des fraudes sont commises au préjudice du revenu par le moyen de telle manufacture.

3. En sus du prix de la licence mentionné dans l'acte précité, toute personne qui aura obtenu une "licence pour manifacter en entrepôt" devra payer au percepteur du revenu de l'Intérieur, en versements mensuels, telle somme d'argent qui sera suffisante pour le remboursement des dépenses occasionnées par le département du Revenu de l'Intérieur pour la surveillance des manufactures exploitées en vertu de telle licence, et pour tenir compte des articles sujets à des droits consommés dans telle manufacture et des articles qui y sont produits. Et la somme maximum qui devra être ainsi payée par la personne susdite sera de temps à autre déterminée par le ministre du Revenu de l'Intérieur, selon que ce dernier le jugera nécessaire, et devra être, autant que possible, en proportion de l'importance et de la nature générale des opérations faites en vertu de cette licence.

4. Les articles manufacturés en entrepôt seront sortis des appartements de la fabrique où ils ont été manufacturés aussitôt que les procédés de manufacture auront été complétés, et seront alors placés dans des appartements ou hangars réservés à cette fin, et seront soit entreposés selon les règlements d'entrepôt alors en vigueur, ou déclarés à la sortie de la fabrique pour droit, le droit étant perçu d'après les états mensuels du fabricant comme dans le cas d'autres manufactures sujettes aux droits d'accise.

5. Toute demande de licence pour manifacter en entrepôt devra être accompagnée d'une spécification ou formule de tous les articles devant être manufacturés en vertu de cette licence, telle spécification ou formule devant exposer en détail les quantités et proportions de tout ingrédient devant servir à la fabrication de chaque article ; sauf que dans le cas du vinaigre, la quantité réelle de chaque ingrédient à employer (à l'exception de l'eau) sera donnée pour la production de cent gallons de vinaigre étalon.

6. Les articles manufacturés en entrepôt devront être mélangés ou faits conformément à la spécification ou formule fournie avec la demande d'une licence et approuvés par le ministre du Revenu de l'Intérieur.

7. Les percepteurs et officiers en charge des manufactures en entrepôt devront voir, et ils sont par le présent requis de voir que les proportions, pourcentages et quantités énumérées dans la spécification ou formule soient observées strictement et jamais excédés ; mais si l'on s'est assuré par une épreuve d'aucun des articles fabriqués que l'alcool a été employé dans la préparation des articles en une proportion plus forte que celle mentionnée dans la dite spécification ou formule, le droit exigible sur les spiritueux sera perçu sur le surplus de l'alcool ainsi constaté, ce surplus devant être computé sur la quantité de l'article ou des articles ainsi produits depuis que la licence a été accordée ; de plus, le fabricant sera sujet à la privation de sa licence en même temps qu'aux autres pénalités mentionnées dans "l'Acte du Revenu de l'Intérieur."

8. Le dessous des planchers de tous les appartements d'entrepôt où sont déposés ou emmagasinés les spiritueux ou autres articles sujets à des droits d'accise, durant le temps de leur fabrication, devra, s'il se trouve en dessous un espace ou appartement, être lambrissé ou latté à la satisfaction de l'inspecteur.

9. Le vinaigre sujet aux droits produit dans toute manufacture en entrepôt devra être dans la proportion de 100 gallons de vinaigre étalon, contenant 6 pour 100 d'acide acétique en sus de la quantité requise pour le coupage ou employée dans la production d'autre vinaigre, pour 25 gallons de spiritueux de preuve apportés dans la manufacture et employés à sa production, avec telle addition à la quantité étalon de vinaigre qui, dans l'opinion du département du Revenu de l'Intérieur, peut raisonnablement provenir de tout autre article, tel que la bière sûre, le vin, l'acide acétique, ou tout article du même genre apporté dans la manufacture, en sus de l'alcool employé à sa production.

10. En évaluant la quantité de spiritueux employés dans une manufacture en entrepôt pendant une période quelconque, pour la production du vinaigre, l'inspecteur se guidera sur les livres tenus par le fabricant tel que le veut la loi, ou sur la quantité réelle découverte par l'inventaire, ainsi, en ajoutant à la quantité en mains au commencement de la période la quantité rentrée, et en en déduisant la quantité réelle trouvée en fonds, la différence pourra être prise comme étant la quantité employée ; néanmoins on doit allouer une certaine marge pour l'alcool qui pourrait se trouver dans le tonneau de coupage ou de composition au commencement et à la fin de la période, mais rien ne devra être alloué pour la quantité qu'on dit être en voie de fabrication dans les générateurs au commencement ou à la fin de la période pour laquelle le calcul est fait.

11. Le pourcentage de l'acide acétique contenu dans le vinaigre aussi produit dans une manufacture en entrepôt sera déterminé par telles épreuves chimiques ordinaires faites avec les appareils qui pourront être de temps à autre prescrits par règlements ou instructions du ministre du Revenu de l'Intérieur à cet effet.

12. Les officiers du revenu de l'Intérieur pourront en tout temps prendre, suivant qu'ils le jugeront nécessaire, des échantillons de n'importe quel baril de vinaigre ou autre article fait dans la manufacture ou qui y aura été apporté pour en déterminer la force et la qualité. Les échantillons ainsi éprouvés seront envoyés au département pour être vérifiés, et dans le cas où la preuve faite par ce dernier différerait avec celle faite par l'officier en charge de la manufacture, l'épreuve faite par le département sera considérée comme finale.

13. Tous colis de spiritueux et tous autres articles ou matériaux apportés dans la manufacture, qu'ils soient sujets aux droits de douane ou d'accise, ou non, seront immédiatement placés dans un appartement approprié à cette fin et enfermés au moyen d'un cadenas du gouvernement dont l'unique clef sera confiée à la garde exclusive d'un officier du revenu de l'Intérieur ; et aucun spiritueux ou autre article ne sera enlevé de cet appartement ainsi fermé à clef si ce n'est en présence de l'officier qui est le gardien actuel de la clef ; et en sa présence chaque article sorti de l'appartement fermé sera immédiatement transporté à la salle de coupage ou à celle où il doit être utilisé et appliqué aux fins qu'on se propose.

14. Tous colis contenant des spiritueux expédiés à des manufactures en entrepôt auront les mots "non

potables" imprimés sur les deux bouts du colis, en lettres de pas moins de deux pouces de hauteur, $\frac{3}{4}$ de pouce de largeur, et d'une couleur différente de celle employée pour les autres-marques sur le colis.

15. Soit que les spiritueux soient indigènes ou importés, la marque sera apposée par le vendeur avant qu'ils ne laissent sa fabrique; mais si le fabricant en entrepôt est lui-même l'importateur, il fera apposer la marque à un port de douane, et avant de quitter la douane où les spiritueux sont examinés.

16. Les spiritueux ne seront transportés à une manufacture en entrepôt que sur un permis contresigné par le percepteur; ce permis portera les mots "non potable," écrits distinctement en travers de sa face.

17. Si la manufacture en entrepôt et la fabrique de l'expéditeur sont situées dans des divisions distinctes, une copie du permis (K 4, qui, dans ce cas sera fait en double) devra accompagner la facture, et les spiritueux seront consignés au percepteur de la division destinataire.

18. Le double du permis doit être désigné comme tel, et sur le talon du livret de permis ce double pourra être constaté en référant au numéro général primitif.

19. Dans tous les cas, le percepteur doit dépêcher un fonctionnaire en sus du fonctionnaire en charge de la manufacture en entrepôt, afin de peser et éprouver les spiritueux, et voir à ce qu'ils soient mis sous clef dans la manufacture en entrepôt, et de certifier le fait par écrit sur le permis.

20. Les spiritueux ne seront pas enlevés d'une manufacture en entrepôt sans la permission par écrit du ministre du Revenu de l'Intérieur, et alors seulement jusqu'à une autre manufacture ou une distillerie licenciée.

21. Les mots "non potables" seront mis bien visiblement sur toutes les déclarations de mutation, ou autres documents officiels, employés en rapport avec le transport de spiritueux à une manufacture en entrepôt.

22. Il ne sera emmagasiné dans les manufactures aucun article autre que ceux qui doivent entrer dans la fabrication des articles énumérés dans la spécification ou formule accompagnant la demande d'une licence.

23. Toute marque d'accise faite sur un colis quelconque dans lequel des articles sujets aux droits sont transportés dans une manufacture en entrepôt devra être complètement effacée et enlevée de ce colis aussitôt qu'il est vidé.

24. Il ne sera pas permis à une personne licenciée comme fabricant en entrepôt de faire le commerce de vente ou achat de spiritueux ou boissons spiritueuses dans la maison pour laquelle telle licence a été prise, non plus que dans une maison située dans un rayon de cinq cents verges de telle maison licenciée, à moins que tels achat et vente soient une conséquence nécessaire du genre d'affaires pour lequel la licence aura été accordée, et que permission pour exercer tel genre d'affaires soient spécialement accordée dans la licence.

25. Il ne sera apporté dans une manufacture en entrepôt aucun spiritueux dont les droits auront été acquittés (excepté les articles sur lesquels la différence entre les droits d'accise et de douane a été payée en vertu du statut 49 Victoria, chapitre 34, section 234.)

26. Attendu que par le 234^e article de l'acte du parlement du Canada, 49 Vic., chap. 34, intitulé "Acte du Revenu de l'Intérieur," il est statué que lorsque des articles n'étant pas de la provenance du Canada, sur lesquels un droit d'accise aurait été prélevé s'ils eussent été produits en Canada, seront introduits dans une manufacture à l'entrepôt, la différence entre les droits d'accise dont ils auraient été ainsi frappés et les droits de douane qui auraient été prélevés sur ces articles, s'ils eussent été importés et déclarés pour la consommation, sera payée comme droit d'accise lorsque ces articles seront introduits dans la manufacture à l'entrepôt; mais dans le cas de spiritueux destinés à être employés seulement pour des fins chimiques ou de manufacture, les dispositions précédentes du présent article pourront être modifiées en tout ou en partie, par le Gouverneur en conseil, pourvu qu'il n'en résulte aucune augmentation de droits."—Il a plu à Son Excellence en conseil, en conformité des dispositions précitées d'ordonner, et il est par le présent ordonné, que le droit exigible sur les spiritueux étrangers, lorsque portés dans aucune manufacture en

entrepôt dûment licenciée, sera déterminé au taux de trente centins (30c.) par gallon de preuve.

27. Des magasiniers (*stock books*) seront tenus dans la manufacture, dans lesquels seront inscrits:—

1. La quantité de chaque espèce d'articles ou de denrées apportés à la manufacture et son équivalent en spiritueux, et dans le cas de spiritueux les détails de chaque colis, spécifiant où ils ont été fabriqués, la force et quantité, les marques, etc., sur les barils, et le numéro général des permis en vertu desquels ils ont été transportés à la fabrique;

2. La quantité de chaque espèce d'articles ou de denrées employés à la production des articles fabriqués, faits dans la fabrique, et son équivalent en spiritueux, donnant les détails de chaque quantité mélangée, indiquant les marques, etc., des colis primitifs d'où ils ont été pris;

3. La quantité de chaque espèce d'articles ou de denrées enlevés de la fabrique, ou dont on a disposé autrement que pour la production des articles fabriqués ou faits;

4. La quantité de chaque espèce d'articles ou de denrées fabriqués, faits ou produits chaque jour;

5. La quantité du produit fabriqué enlevé de la fabrique;

6. La quantité déclarée pour l'entrepôt, et

7. La quantité sortie de l'entrepôt et déclarée pour le paiement du droit à la sortie de l'entrepôt.

28. Tout vinaigre sortant des générateurs et ayant une force de 3 pour 100 ou plus d'acide acétique devra être transporté directement aux récipients fermés, et là devra être jaugeé et éprouvé avant d'être pris pour le coupage ou autrement.

La quantité requise pour le "coupage" lorsqu'elle n'excèdera pas la quantité mentionnée dans la spécification ou formule, sera donnée par le fonctionnaire quand il en sera requis, et à la fin du mois la quantité totale prise sera déduite de la production totale de vinaigre dans la fabrique, laissant la balance comme la quantité réelle de vinaigre impossible produite.

29. A compter du premier jour de juillet 1888, il ne sera rien alloué au fabricant pour les quantités de spiritueux supposées être en voie de fabrication dans les générateurs, le département se désistant de toute réclamation contre le fabricant pour un nombre équivalent de gallons de vinaigre étalon, aucune telle quantité ne sera non plus prise en considération dans tout inventaire ou répartition qui aurait à être faite en cas de déficit dans la production.

30. Quand du vinaigre est transporté des générateurs à travers des appartements non fermés à clef de la fabrique, il devra être transporté dans des tuyaux fermés convenablement assujétis.

31. Si l'inspecteur des manufactures en entrepôt, ou tout autre officier supérieur de l'accise en aucun temps en visitant une manufacture en entrepôt, remarque quelque chose qui, dans son opinion, pourrait causer une perte de revenu ou gêner sa perception, ou qui pourrait présenter des facilités pour la fraude, il est autorisé de donner des instructions quant aux changements qu'il croira à propos pour la protection convenable du revenu, et le fabricant ou son agent se conformera à ces instructions; et si ces changements ne sont pas faits dans le cours de dix jours sa licence lui sera retirée.

32. Tous arrêtés en conseil relatifs à la manufacture d'articles en entrepôt déjà émis ou établis, sont par le présent annulés.

33. Le ministre du Revenu de l'Intérieur pourra établir les épreuves pour déterminer le pourcentage de spiritueux libres contenus dans le vinaigre, et pourra disposer de tout vinaigre trouvé contenant ces spiritueux libres, selon qu'il jugera nécessaire pour la protection convenable du revenu.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 4e jour d'avril 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence après avoir pris en considération le tarif des péages sur les canaux du Canada, et les divers arrêtés en conseil en vertu desquels un taux spécial a été, de temps à autre, établi temporairement sur certains produits alimentaires passant par le canal Welland et par les canaux du Saint-Laurent en destination de Montréal et de ports à l'est de Montréal, d'ordonner, en vertu des pouvoirs qui lui sont conférés par le chapitre 37 des Statuts Révisés, intitulé “Acte concernant le département des Chemins de fer et Canaux,” et par et de l'avis du Conseil Privé de la Reine pour le Canada, que les modifications suivantes soient, et elles sont par le présent apportées au tarif des péages en vigueur sur les dits canaux, savoir:—

Une remise sera faite d'une partie des péages perçus sur le blé, le maïs, les pois, l'orge, le seigle, l'avoine, la graine de lin et le sarrasin qui ont passé par le canal Welland et les canaux du St-Laurent en destination de Montréal ou de tout port à l'est de Montréal, dans tous les cas où les dits produits ainsi transportés sont exportés et dans ces cas seulement.

La remise sera de nature à réduire les péages à deux centins par tonneau des dits produits ou aucun d'eux, et les conditions de cette remise seront les suivantes :

On devra démontrer que les produits susdits, sur lesquels la remise sera réclamée ont été en premier lieu expédiés en destination de Montréal ou de quelque port à l'est de Montréal, qu'ils ont été transportés à Montréal ou à quelque port à l'est de Montréal et réellement expédiés hors du pays.

Le droit à la remise susdite ne sera pas perdu par le transbordement intermédiaire, pourvu qu'il ait lieu à un endroit en dedans des limites du Canada.

Toutes parties de chargement débarquées au Port Colborne et réexpédiées du Port Dalhousie, et tous chargements des produits sus-nommés d'un port canadien du Lac Ontario, auront aussi droit à cette remise.

Le paiement du montant à être remis sera fait, de temps à autre, à mesure que les chargements des dits produits sont expédiés, en vue d'exportation, de Montréal ou de tout port à l'est de Montréal.

Le présent arrêté en conseil demeurera en vigueur pour l'année courante (1892) seulement.

JOHN J. MCGEE,
Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu des dispositions du chapitre 97 des Statuts Révisés, intitulé “Acte concernant les passages d'eau,” et l'acte 51 Victoria, chapitre 23, le modifiant, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'établir les règlements suivants pour la gouverne du passage d'eau sur la rivière Ottawa, entre la cité d'Ottawa, dans la province d'Ontario, et la ville de Hull, dans la province de Québec, les dits règlements devant remplacer tous règlements antérieurs concernant le dit passage d'eau :

RÈGLEMENTS.

1. *Limites.*—Du côté d'Ontario, les limites seront les mêmes que pour la cité d'Ottawa. Du côté de Québec elles comprendront l'espace à partir du Pont suspendu Union à l'endroit connu sous le nom de Pointe Haycock, sur lequel un moulin à scie a été bâti par MM. Gilmour & Cie, dernièrement détruit par le feu.

2. *Embarcadères ou quais.*—Des embarcadères convenables ou quais devront être construits et entretenus aux frais du locataire, ils devront être sûrs et accessibles en tout temps, sujet à l'approbation du département du Revenu de l'Intérieur.

3. *Bateau-passeur.*—Le bateau qui devra servir du 15 avril au 25 novembre inclusivement, chaque année, devra être solide, propre à la mer et de dimensions suffisantes et devra être pourvu d'un certificat de sûreté quant à la chaudière et à la machine.

4. *Nombre de voyages.*—A partir de l'ouverture jusqu'à la clôture de la navigation le ou les bateaux-passeurs commenceront leur service chaque jour à 6 heures a.m., et continueront à traverser de chaque côté trois fois par heure jusqu'à 8 heures p.m., excepté à partir du 10 juin au 10 octobre, pendant lequel temps il devra être fait 4 voyages par heure. Avant ou après les heures ci-dessus mentionnées le locataire pourra, s'il le juge nécessaire, faire des traverses au moyen d'embarcations à rames, durant toute la saison de navigation.

5. *Tarif.*—Le maximum de péage pour le passage sera le suivant :

	cts.
Pour une voiture à deux chevaux, son conducteur et la charge, en chaque sens.....	30
Pour une voiture à un cheval, son conducteur et la charge, en chaque sens....	20
Pour un cheval, en chaque sens.....	10
Pour chaque tête de bêtes à corne, en chaque sens.....	15
Pour chaque mouton ou cochon, en chaque sens.....	5
Pour chaque passager, en chaque sens....	5
Pour chaque 100 livres d'effets, en chaque sens.....	1

6. Le bateau passeur sera placé sur la route, complet et équipé et les embarcadères prêts à l'expiration du présent bail, et le bateau devra être prêt à l'ouverture de la navigation chaque année pendant la durée du bail.

7. Le bail sera accordé pour une période de quatre ans et onze mois à partir du 1er jour de juin 1891.

8. L'adjudicataire sera tenu de donner deux cautions à la satisfaction du département du Revenu de l'Intérieur, qui seront responsables conjointement et séparément avec le cautionnaire, jusqu'à concurrence de la somme de \$1,000 pour la parfaite exécution des conditions du bail par l'adjudicataire.

9. Le ministre du Revenu de l'Intérieur se réserve le droit de ne pas approuver le bateau passeur ou les embarcadères s'ils étaient jugés impropres pour le service, dangereux ou insuffisants pour répondre aux besoins du public, ou de reprendre le passage d'eau et le louer de nouveau. Le Gouverneur général en conseil aura aussi le droit de modifier le tarif maximum, s'il était jugé expédient de le faire dans l'intérêt public, et le

Gouverneur en conseil pourra annuler le bail lorsqu'il sera prouvé pleinement que l'adjudicataire néglige de remplir les conditions du bail.

10. L'adjudicataire du passage d'eau devra en tout temps durant la durée du bail transporter sans salaire, péage ou récompense les miliciens, soldats ou matelots lorsqu'ils sont munis de passeports ou qu'ils sont sous la garde de leur officier ou officiers, et le dit adjudicataire aura le droit de commuer le tarif des passagers.

11. Un avis des prix de péage pour la traversée sera affiché dans un endroit visible près du débarcadère des deux côtés de la rivière et aussi à bord du bateau.

12. L'adjudicataire ne devra pas durant la durée du bail, traverser, transporter ou porter ou permettre qu'il soit traversé, transporté, ou porté aucun article de contrebande.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DESPATCHES.

AT THE COURT AT WINDSOR,

The 16th day of March, 1892.

PRESENT :

The QUEEN'S Most Excellent Majesty.

Lord President,
Duke of Rutland,
Marquess of Salisbury,
Lord Chamberlain.

WHEREAS by an Act of the Parliament of Manitoba passed in the 48th year of Her Majesty's reign, chapter 48, entitled "An Act respecting the Court of Queen's Bench," it was enacted that Her Majesty's Court of Queen's Bench for Manitoba should exist and continue under the name and style of "Her Majesty's Court of Queen's Bench for Manitoba," and that it was and should continue to be a court of original and appellate jurisdiction, and should possess and exercise all such powers and authorities as by the laws of England are incident to a Superior Court of Record of civil and criminal jurisdiction, in all matters civil and criminal whatsoever, but no provision has yet been made for the prosecution and regulation of appeals to Her Majesty in Council from the said Court;

And whereas it is expedient that provision should be made by this Order to enable parties to appeal from the decisions of the said Court to Her Majesty in Council, it is hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, as follows :—

1. Any person or persons may appeal to Her Majesty, Her heirs and successors, in Her or their Privy Council, from any final judgment, decree, order, or sentence of the said Court of Queen's Bench of Manitoba, in such manner, within such time, and under and subject to such rules, regulations, and limitations as are hereinafter mentioned, that is to say :

In case any such judgment, decree, order, or sentence shall be given or pronounced for or in respect of any sum or matter at issue above the amount or value of three hundred pounds sterling (£300) or in case such judgment, decree, order, or sentence shall involve directly or indirectly any claim, demand, or question to or respecting

property or any civil right amounting to or of the value of three hundred pounds sterling (£300) the person or persons feeling aggrieved by any such judgment, decree, order, or sentence may, within fourteen days next after the same shall have been pronounced, made or given, apply to the said court by motion or petition for leave to appeal therefrom to Her Majesty, her heirs and successors, in her or their Privy Council ;

In case such leave to appeal be prayed by the party or parties who is or are directed to pay any such sum of money or perform any duty, the said court may either direct that the judgment, decree, order, or sentence appealed from shall be carried into execution, or that the execution thereof shall be suspended pending the said appeal, as to the said court may appear to be most consistent with real and substantial justice ;

And in case the said court shall direct such judgment, decree, order, or sentence to be carried into execution, the person or persons in whose favour the same shall be given shall, before the execution thereof, enter into good and sufficient security to be approved by the said court for the due performance of such order as Her Majesty, her heirs and successors, shall think fit to make upon such appeal ;

In all cases security shall also be given by the party or parties appellant in a bond or mortgage or personal recognizance not exceeding the value of five hundred pounds sterling (£500) for the prosecution of the appeal, and the payment of all such costs as may be awarded by Her Majesty, Her heirs and successors, or by the Judicial Committee of Her Majesty's Privy Council, to the party or parties respondent ; and if such last-mentioned security shall be entered into within three months from the date of such motion or petition for leave to appeal, then, and not otherwise, the said court shall admit the appeal and the party or parties appellant shall be at liberty to prefer and prosecute his, her, or their appeal to Her Majesty, her heirs and successors, in her or their Privy Council, in such manner and under such rules as are or may be observed in appeals made to Her Majesty from Her Majesty's Colonies and Plantations abroad.

2. It shall be lawful for the said Supreme Court at its discretion, on the motion or petition of any party who considers himself aggrieved by any preliminary or interlocutory judgment, decree, order, or sentence of the said Supreme Court, to grant permission to such party to appeal against the same to Her Majesty, her heirs and successors, in her or their Privy Council, subject to the same rules, regulations, and limitations as are herein expressed respecting appeals from final judgments, decrees, orders, and sentences.

3. Nothing herein contained doth or shall extend or be construed to extend to take away or abridge the undoubted right and authority of Her Majesty, her heirs and successors, upon the humble petition of any person or persons aggrieved by any judgment or determination of the said court, at any time to admit his, her, or their appeal therefrom, upon such terms as Her Majesty, her heirs or successors, shall think fit, and to reverse, correct, or vary such judgment or determination in such manner as to Her Majesty, Her heirs and successors, shall seem meet.

4. In all cases of appeal admitted by the said court, or by Her Majesty, her heirs or successors, the said court shall certify and transmit to Her Majesty, her heirs or successors, in her or their Privy Council, a true and exact copy of all evidence, proceedings, judgments, decrees, and orders had or made in such cases appealed so far as the same have relation to the matter of appeal, such copies to be certified under the seal of the said court, and the said court shall also certify and transmit to Her Majesty, her heirs and successors, in her or their Privy Council, a copy of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against, where such reasons shall have been given in writing, and where such reasons shall have been given orally, then a statement in writing of the reasons given by the judges of such court, or by

any such judges, for or against the judgment or determination appealed against.

5. The said court shall, in all cases of appeal to Her Majesty, her heirs or successors, conform to and execute or cause to be executed such judgments and orders as Her Majesty, her heirs and successors, shall think fit to make in the premises, in such manner as any original judgment, decree, or decretal order, or other order or rule of the said court should or might have been executed.

And the Right Honourable Lord Knutsford, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

Circular (2).

DOWNING STREET,
5th February, 1892.

MY LORD,—With reference to my circular despatches of the 30th of April, 1890, and 14th February, 1891, relating to the arrest of fugitive offenders, I have the honour to transmit herewith a copy of a letter from the Home Office on the subject of the information on which provisional warrants may be issued under section 4 of the Fugitive Offenders Act, 1881. It appears to me that, in order to avoid any possible delay, the practice suggested should be adopted, and I therefore suggest for the consideration of your Government that instructions should be given that the letter or telegram asking for the apprehension of an alleged fugitive on a provisional warrant should formally state that the offence is one to which Part I of the Act applies, *i. e.* an offence punishable in the Colony where committed by imprisonment with hard labour for a term of twelve months or more. (Sec. 9.)

It has been suggested to the Home Office that a code word signifying this description of the offence should be inserted in the forthcoming revised edition of the Police Telegraph Code.

I have the honour to be,
My Lord,
Your most obedient, humble servant,
KNUTSFORD.

The Officer Administering
The Government of Canada.

The Home Office to the Colonial Office.

(A 53423.)

WHITEHALL,
4th January, 1892.

SIR,—I am directed by the Secretary of State to acquaint you, for the information of Lord Knutsford, that he is informed by the Chief Magistrate that the opinion has been held at Bow Street Police Court that the information for the issue of a provisional warrant under section 4 of the Fugitive Offenders Act, 1881, should contain the allegation that the fugitive has committed an offence to which Part I of the Act applies, *i. e.* an offence punishable in the Colony where committed by imprisonment with hard labour for a term of twelve months or more (sec. 9), and although Sir John Bridge does not himself hold this view, but considers that provisional warrants under section 4 may be granted on a proper information which need not contain anything as to the punishment, he is nevertheless of opinion that to avoid any possible delay in the future, it might be convenient to give instructions throughout the Colonies for the letter or telegram asking for the apprehension of an alleged fugitive on a provisional warrant to contain an allegation that the offence is one punishable in the Colony in the manner above mentioned.

I am accordingly to suggest that Lord Knutsford should consider whether it would not be desirable to issue instructions to such effect to the Colonial Authorities.

I am, &c.,
GODFREY LUSHINGTON.

The Under-Secretary of State,
Colonial Office.

JOHN J. MCGEE,
Clerk, Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of March, 1892.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency, under the authority conferred upon him by the provisions of "The Inland Revenue Act," chapter 34 of the Revised Statutes of Canada, and by and with the advice of the Queen's Privy Council for Canada, has been pleased to order that the following regulations for the governance of Licensed Bonded Manufacturers in the Dominion of Canada be and the same are hereby adopted:—

REGULATIONS.

1. Subject to the provisions of the Inland Revenue Act, to these regulations, and to such further regulations as may hereafter be made by competent authority, licenses may be granted to manufacture in bond the articles herein enumerated, viz:—Vinegar, fulminate, soap and any other articles of commerce in the process of manufacturing of which alcohol is destroyed and from the resultant products of which it cannot be recovered.

2. Any bonded manufactory licensed under the above recited Act may be closed and the license forfeited, whenever it is shown to the satisfaction of the Minister of Inland Revenue that there is just cause for believing that frauds upon the Revenue are being perpetrated in connection with such manufactory.

3. In addition to the license fee named in the Act above cited, every person to whom a "Bonded Manufacturing License" is granted, shall pay to the Collector of Inland Revenue, in monthly instalments, such sums of money as shall be sufficient for the payment of the expenses incurred by the Inland Revenue Department for the effective supervision of the manufactures carried on under such license, and for taking account of the dutiable articles consumed in such manufactory, and of the articles produced therefrom; and the maximum sum to be so paid by the party aforesaid, shall from time to time be determined by the Minister of Inland Revenue, as he may deem necessary, and shall, as nearly as may be, be in proportion to the magnitude and general character of the business carried on under such license.

4. Goods manufactured in bond shall be removed from the apartments of the manufactory wherein the same were made as soon as the process of manufacture is completed and shall then be placed in compartments or store rooms set apart for that purpose, and be either warehoused as per warehousing regulations then in force or entered ex-factory for duty, the duty to be collected on the monthly returns of the manufacturer as in the case of other manufactures subject to Excise.

5. With every application for a license to manufacture in bond there shall be submitted a specification or formula of all the articles to be manufactured thereunder, which specification or formula shall also set forth in detail the percentage or proportion of every ingredient to be used in the manufacture of each article, except that in the case of vinegar, the actual quantity of each ingredient to be used (water excepted) shall be given, for the production of one hundred gallons of standard vinegar.

6. The articles manufactured in bond shall be compounded carefully in accordance with the specification or formula submitted with the application for the license and approved by the Minister of Inland Revenue.

7. Collectors and officers in charge of bonded manufactures shall be, and they are hereby required, to see that the percentages, proportions and quantities set forth in the specification or formula are closely adhered to and in no case exceeded; but should it be ascertained by any process or by any test of any of the articles made that a greater proportion or percentage of alcohol has been used in the preparation thereof than is set forth in the specification or formula, the duty exigible upon spirits shall be collected upon the excess of alcohol so ascertained, which may be computed upon the article or articles made during the currency of the license then in force, and the manufacturer shall also be liable to the penalty of

forfeiting his license as well as the other penalties set forth in the "Inland Revenue Act."

8. The under side of the flooring joists of all bonded apartments in which spirits or other goods subject to Excise duty are stored or placed while under any process of manufacture, shall, if there is any space or other apartment below them, be sheeted or lathed to the satisfaction of the inspecting officer.

9. Dutiable vinegar produced in any bonded factory shall be in the proportion of 100 gallons of standard vinegar containing 6 per cent. of acetic acid, over and above the quantity taken for "mix" or used in the further production of vinegar to 25 gallons of proof spirits taken into the manufactory and used for its production, with such addition to the standard quantity of vinegar as may, in the opinion of the Minister of Inland Revenue, be fairly due to any other article such as sour beer, or wine, acetic acid, or any like article brought into the manufactory, in addition to the alcohol used for its production.

10. In estimating the quantity of spirits used in any bonded manufactory during any period, for the production of vinegar, the inspector shall be guided by the books kept by the manufacturer as required by law or by the actual quantity discovered by stock-taking, thus by adding to the quantity on hand at commencement of period the quantity brought in and deducting therefrom the actual quantity found in stock, the difference may be taken as the quantity used, nevertheless due allowance must be made for the alcohol, that may be in process in the mixing or compounding tub at the beginning and end of the period, but no allowance whatever shall be made for the quantity said to be in process in the generators at the beginning or end of the period for which the calculation is being made.

11. The percentage of acetic acid contained in any vinegar produced in any such bonded factory shall be determined by such established chemical tests, applied by such apparatus, as may from time to time be directed by regulations or instructions made in that behalf by the Minister of Inland Revenue.

12. The officers of Inland Revenue may, at any time, take such samples from any of the packages of vinegar, or other article made in, or brought into any bonded manufactory as may be deemed necessary for determining their strength or quality. Samples of each package so tested shall be sent to the Department for confirmation, and in case the departmental test is at variance with the test so made by the officer in charge of the manufactory, then the test made at the Department shall be final.

13. Every package of spirits and every other article or material brought into any bonded factory, whether subject to Excise or Customs duty, or not, shall be immediately placed in an apartment appropriated thereto and secured by a crown lock, the sole key whereof shall be in the exclusive custody of an officer of Inland Revenue; and no spirits or other article shall be removed from such locked apartment, except in the presence of the officer who has the key thereof for the time being, and in his presence every article removed from such locked apartment shall be immediately conveyed to the mixing room or other place where it is to be used and applied to the purpose for which it is intended.

14. All packages containing spirits shipped to bonded factories shall have the word "non-potable" over-printed on both ends of the package, in letters not less than 2 inches in height and $\frac{3}{4}$ of an inch in width, and in a colour different from that used for the other marks on the package.

15. Whether the spirits be domestic or imported, the branding shall be done by the vendor before they leave his premises, but if the bonded manufacturer be himself the importer, he shall have the branding done at a port of entry, and before leaving the Customs premises where the spirits are examined.

16. Spirits shall be removed to a bonded factory only upon a permit countersigned by the Collector, which shall have the words "non-potable" distinctly written across its face.

17. If the bonded factory and the shipper's premises are situated in separate divisions, one copy of the permit (K 4, which will, in this case, be made in duplicate) shall accompany the Bill of Lading, and the spirits

shall be consigned to the Collector of the receiving Division.

18. The duplicate permit must be designated as such and on stub of permit book may be accounted for by referring to original general number.

19. In all cases the Collector shall detail an officer in addition to the officer in charge of the bonded factory, to weigh and test the spirits and see them placed under lock in the bonding warehouse of the factory, and to certify the fact in writing upon the permit.

20. Spirits shall not be removed from a bonded factory without the written permission of the Minister of Inland Revenue, and then only to another bonded factory or to a licensed distillery.

21. The word "non-potable" shall be conspicuously placed upon all removal entries, or other official documents, used in connection with the removing of spirits to a bonded factory.

22. No articles shall be kept or stored in any bonded manufactory other than such as are to be used in the manufacture of articles enumerated in the specification or formula accompanying the application for license.

23. Every Excise mark on every package in which any excisable goods are taken to any bonded manufactory, shall be completely erased and removed from such package as soon as emptied.

24. No person licensed as a manufacturer in bond shall carry on any trade of buying or selling spirits or spirituous liquors on the premises for which such license is granted, nor in any other premises situated within five hundred yards of such licensed premises, except in so far as such buying and selling is a necessary consequence of the business for which the license is granted, and permission to carry on such business is specially granted in the license.

25. No duty-paid spirits (except spirits on which the difference between Customs and Excise duty has been paid under 49 Vic., chap. 34, sec. 234) shall be taken into any bonded manufactory.

26. Whereas by the 234th section of the Act of the Parliament of Canada, 49 Vic. chap. 34, intitled "The Inland Revenue Act," it is provided that "whenver any article not the produce of Canada upon which the duty of Excise would be levied if produced in Canada, is taken into a bonded manufactory, the difference between the duty of Excise to which it would be so liable and the Customs duty which would be levied on such article if so imported and entered for consumption shall be paid as a duty of Excise when it is taken into the bonded manufactory; but in the case of spirits to be used for any chemical or manufacturing purpose only, the foregoing provisions of this section may be varied, in whole or in part by the Governor in Council, provided that no increase of duties shall accrue therefrom,"—His Excellency in Council, in pursuance of the provisions above recited, has been pleased to order, and it is hereby ordered, that the duty exigible upon foreign spirits, when taken into any duly licensed bonded manufactory, shall be determined at the rate of thirty cents (30c.) per proof gallon.

27. Stock books must be kept in the factory, in which must be entered:—

1st. The quantity of each description of article or commodity brought into the factory, and the spirit equivalent thereof, and in the case of spirits the particulars of every package, stating where manufactured, the strength and quantity, the marks, &c., on the casks, and the general numbers of the permits under which it was conveyed to the factory.

2nd. The quantity of each description of article or commodity used in the production of the manufactured articles made in the manufactory, and the spirit equivalent thereof, giving the particulars of every quantity mixed, showing the marks, &c., of the original packages from which they were taken.

3rd. The quantity of each description of article or commodity removed from the factory, or disposed of otherwise than for the production of the articles therein manufactured or made.

4th. The quantity of each description of manufactured article or commodity made or produced on each day.

5th. The quantity of manufactured product removed from the factory.

6th. The quantity entered for warehouse, and

7th. The quantity ex-warehoused and entered for duty ex-factory.

28. All vinegar running from generators having a strength of 3 per cent or more of acetic acid must be conveyed directly to the closed receivers and must there be gauged and tested before being taken for "mix" or otherwise.

The quantity required for "mix" when not exceeding the quantity stated in the specification or formula will be given by the officer when required, and at the end of the month the total quantity taken will be deducted from the total production of vinegar in the manufactory, leaving the balance as the actual quantity of dutiable vinegar produced.

29. On and after the first day of July, 1888, no allowance shall be made to the manufacturer for the quantities of spirits supposed to be in process in the generators, the Department giving up all claim against the manufacturer for an equivalent number of gallons of standard vinegar, nor shall such quantity be taken into consideration in any stock-taking or assessment that may have to be made in case of a deficiency of production.

30. When vinegar is conveyed from the generators through unlocked compartments of the factory, it must be conveyed in closed pipes properly secured.

31. Should the Inspector of Bonded Manufactories, or any other superior officer of Excise at any time, on visiting a bonded manufactory observe anything which in his judgment might lead to a loss of revenue or interfere with its proper collection, or that might offer facilities for fraud, he is empowered to give instructions as to the changes he may deem necessary for the proper protection of the revenue and such instructions shall be complied with by the manufacturer or his agent, and if said changes be not made within the space of ten days his license shall be forfeited.

32. All Orders in Council in respect of the manufacture of goods in bond previously issued or established are hereby cancelled.

33. The Minister of Inland Revenue may provide such tests for determining the percentage of free spirits contained in vinegar, and may deal with any vinegar found to contain such free spirits as may be deemed necessary for the proper protection of the revenue.

All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz :

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District in which a newspaper is published.

In any other Province or Territory.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County or District, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County or District in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers

containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the Clerk of the Senate, or the accountant of the House of Commons (as the case may be) a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

The fee payable on any Private Bill is paid only in the House in which it originates.

No Petition for a Private Bill is received by either House after the first ten days of the session.

EDOUARD J. LANGEVIN,
Clerk of the Senate.

JOHN GEORGE BOURINOT,

gouvernement et le gouvernement des Etats-Unis relativement aux pêcheries de phoques à fourrure dans la mer de Behring, a été conclue le quinzième jour de juin dans l'année de Notre-Seigneur mil huit cent quatre-vingt-onze, aux termes ci-dessous, savoir :—

“Convention entre le gouvernement de Sa Majesté Britannique et le gouvernement des Etats-Unis établissant un *modus vivendi* relativement aux pêcheries de phoques à fourrure dans la mer de Behring,—

DÉPÊCHES.

AU CHATEAU DE WINDSOR,

Le 16e jour de mars 1892.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.

Le Lord Président,
Le Duc de Rutland,
Le Marquis de Salisbury,
Le Lord Chambellan.

“ Dans le but d'éviter des différends irritants, et en vue d'amener un règlement à l'amiable des questions pendantes entre les deux gouvernements touchant leurs droits respectifs dans la mer de Behring, et pour la conservation des phoques comme espèce, la convention suivante est conclue sans préjudice des droits ou prétentions de l'une ou l'autre partie :—

“(1.) Le gouvernement de Sa Majesté défendra, jusqu'au mois de mai prochain, de tuer des phoques dans cette partie de la mer de Behring située à l'est d'une ligne de démarcation décrite dans l'article No 1 du traité de 1867 entre les Etats-Unis et la Russie, et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les sujets et vaisseaux britanniques ;

“(2.) Le gouvernement des Etats-Unis défendra de tuer des phoques pendant la même période dans la même partie de la mer de Behring et sur ses rives et îles, appartenant aux Etats-Unis (en sus des 7,500 qui peuvent être pris sur les îles pour la subsistance et le soin des naturels), et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les citoyens et vaisseaux des Etats-Unis ;

“(3.) Tout vaisseau ou toute personne qui violera cette défense dans les dites eaux de la mer de Behring en dehors des limites territoriales ordinaires des Etats-Unis, pourra être saisi et détenu par les officiers de marine ou autres officiers dûment commissionnés de l'une ou l'autre Haute Partie Contractante, mais ce vaisseau ou cette personne seront délivrés aussitôt que possible aux autorités de la nation à laquelle ils appartiennent respectivement, qui seules auront juridiction pour juger l'infraction et imposer les peines encourues. Les témoins et preuves nécessaires pour établir l'infraction seront aussi envoyées en même temps que le prévenu ;

“(4.) Afin de faciliter les enquêtes que le gouvernement de Sa Majesté pourra désirer instituer dans le but de soumettre la cause du gouvernement à des arbitres, et dans l'espoir qu'un arrangement d'arbitrage pourra être conclu, il est convenu que des personnes convenables désignées par la Grande-Bretagne pourront en tout temps, sur demande à cet effet, visiter ou demeurer sur les îles à phoques, pendant la présente saison de pêche, dans ce but.

“ Signée et scellée en double à Washington, ce quinzième jour de juin 1891, aux noms de leurs gouvernements respectifs, par sir Julian Pauncefote, G.C.M.G., C.C.B., Envoyé extraordinaire et ministre plénipotentiaire de S.M.B., et William F. Wharton, secrétaire d'Etat intérimaire des Etats-Unis.

ET ATTENDU qu'un arrangement vient d'être conclu entre Notre gouvernement et le gouvernement des Etats-Unis à l'effet de continuer jusqu'au trente-unième jour d'octobre dans l'année de Notre-Seigneur mil huit cent quatre-vingt-treize, la dite convention et les dispositions qu'elle contient faisant défense de tuer des phoques dans la mer de Behring, tel que décrit dans icelle,—

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre très fidèle et bien-aimé le Très-honorable Sir FREDERIC ARTHUR STANLEY, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain ; Gouverneur général du Canada.

A Notre Hôtel du Gouvernement, en Notre CITE d'OTTAWA, ce VINGT-DEUXIEME jour de d'AVRIL, dans l'année de Notre-Seigneur mil huit cent quatre-vingt-douze, et de Notre Règne la cinquante-cinquième.

Par ordre,

J. C. PATTERSON,
Secrétaire d'Etat.

CONSIDÉRANT que par un acte du parlement du Manitoba, passé en la 48e année du règne de Sa Majesté, chapitre 48, intitulé “ Acte concernant la Cour du Banc de la Reine,” il est statué que la Cour du Banc de la Reine pour le Manitoba devra exister et continuer sous le titre de “ Cour du Banc de la Reine pour le Manitoba,” et qu'elle était et continuerait d'être une cour de juridiction de première instance et d'appel, et devra posséder et exercer tous les pouvoirs et l'autorité conférés par les lois d'Angleterre à une cour supérieure d'archives de juridiction civile et criminelle, dans toutes matières civiles et criminelles que ce soit, mais qu'il n'a pas encore été fait de disposition pour la poursuite et le règlement des appels de la dite cour à Sa Majesté en conseil.

Et considérant qu'il est à propos que des dispositions soient établies par le présent arrêté pour permettre aux parties d'interjeter appel des décisions de la dite cour à Sa Majesté en conseil,—il est par le présent ordonné, par Sa Très-Excellente Majesté, par et avec l'avis de son Conseil privé, comme suit :—

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour du Banc de la Reine du Manitoba, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir :—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou se rattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourront, sous quatorze jours après qu'il aura été prononcé, fait ou donné, s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjoins de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excédant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'in-

terjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qui sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéniables que possède Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. Dans tous les cas d'appel admis par la dite cour, ou par Sa Majesté, ses héritiers ou successeurs, la dite cour certifiera et transmettra à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie exacte et fidèle de toute preuve, procédures, jugements, décrets et ordres rendus ou faits dans les causes en appel, en tant qu'ils se rapportent à la matière de l'appel, ces copies seront attestées par le sceau de la dite cour, et la dite cour certifiera et transmettra aussi à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie des raisons données par les juges de telle cour, ou par aucun de ces juges, pour ou contre le jugement ou décision dont appel est interjeté, lorsque ces raisons auront été données par écrit, et lorsque ces raisons auront été données oralement, alors un énoncé par écrit des raisons données par les juges de telle cour, ou par aucun des dits juges, pour ou contre le jugement ou décision dont appel est interjeté.

5. Dans tous cas d'appel à Sa Majesté, ses héritiers ou successeurs, la dite cour se conformera et exécutera ou fera exécuter tels jugements et ordres que Sa Majesté, ses héritiers ou successeurs croiront bon de rendre dans l'affaire, de la même manière que tout jugement, décret, ou ordre décrétatoire de première instance, ou autre ordre ou règle de la dite cour aurait dû ou aurait pu être exécuté.

Et le Très-honorable Lord Knutsford, un des principaux secrétaires d'Etat de Sa Majesté donnera les instructions nécessaires en conséquence.

Circulaire (2).

DOWNING STREET,

5 février 1892.

MILORD,—Vu mes dépêches circulaires du 30 avril 1890 et du 14 février 1891, concernant l'arrestation de criminels fugitifs, j'ai l'honneur de vous transmettre, ci-jointe, copie d'une lettre du Home Office traitant de l'information sur laquelle des mandats provisoires peuvent être lancés en vertu de l'article 4 de l'Acte des délinquants fugitifs, 1881. M'est avis que pour éviter tout délai possible, la pratique suggérée devrait être adoptée, et en conséquence je suggère, pour la considération de votre gouvernement, que des instructions devraient être données à l'effet que la lettre ou télégramme demandant l'arrestation d'un prétendu fugitif sur un mandat provisoire énonce formellement que l'offense tombe sous la Partie I de l'acte, *i. e.*, est un délit punissable, dans la colonie où il a été commis, par l'emprisonnement avec travail forcé pendant une période de douze mois ou plus. (Art. 9.)

Il a été suggéré au Home Office qu'un signe désignant ce délit soit inséré dans la prochaine édition révisée du Code Télégraphique de Police.

J'ai l'honneur d'être,

Milord,

Votre très obéissant serviteur,

KNUTSFORD.

A l'administrateur

du Gouvernement du Canada.

Le Home Office au Bureau des colonies.

(A 5342½.)

WHITEHALL,

4 janvier 1892.

MONSIEUR,—Le Secrétaire d'Etat m'a chargé de vous faire connaître pour le renseignement de Lord Knutsford, qu'il est informé par le magistrat en chef que la Cour de Police de Bow Street est d'opinion que l'information nécessaire pour l'émission d'un mandat provisoire en vertu de l'article 4 de l'Acte des délinquants fugitifs, 1881, devrait énoncer que le fugitif a commis un délit auquel s'applique la Partie I de l'acte, *i. e.* que c'est un délit punissable, dans la colonie où il a été commis, par l'emprisonnement avec travail forcé pendant une période de douze mois ou plus (art. 9), et bien que Sir John Bridge ne partage pas lui-même cette opinion, mais croit au contraire que des mandats provisoires sous l'art. 4 peuvent être accordés sur une information convenable ne spécifiant rien quant à la punition, néanmoins, il est d'opinion que dans le but d'éviter tout délai possible à l'avenir, il serait peut-être à propos de donner instructions par toutes les colonies à l'effet que la lettre ou télégramme demandant l'arrestation du prétendu fugitif sur un mandat provisoire contienne une allégation que le délit est un délit punissable de la manière susdite dans la colonie.

Je dois, en conséquence, suggérer que Lord Knutsford examine s'il ne serait pas désirable de faire parvenir des instructions à cet effet aux autorités coloniales.

Je suis, etc.,

GODFREY LUSHINGTON.

Le Sous-Secrétaire d'Etat,
Bureau des colonies.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 21e jour de mars 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

VU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces nets étaient relevés entre 9 a.m., et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

Rets à maquereau.

1. Nuls rets à maquereau, hareng ou gaspereaue employés dans le but de prendre du maquereau, du hareng ou du gaspereaue ne seront tendus ou laissés tendus à la surface ou dans les douze pieds de la surface de l'eau entre 9 heures a.m. et 5 heures p.m., depuis le 1er jour de juin jusqu'au 31e jour d'août inclusivement, de chaque année, et tous rets trouvés dans l'eau durant les heures ci-dessus mentionnées, alors que les conditions de température sont telles que ces rets puissent être relevés, seront confisqués au bénéfice de Sa Majesté, et le propriétaire ou celui qui les emploie sera passible de toutes autres peines que la loi décertera.

2. Nulle flotte de rets à mailler d'une plus grande longueur que 60 brasses ne sera tendue dans un même ancrage entre le 1er jour de juin et le 31e jour d'août, ces deux jours inclusivement, sous peine des amendes prescrites par la loi.

Vendredi, le 18e jour de mars 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que l'arrêté en conseil du 3 janvier 1887, permet de faire dévier, là où c'est nécessaire, le grand chemin qui traverse la municipalité de Westbourne, dans la province du Manitoba, de façon à le faire passer le long de la ligne du chemin de fer Manitoba et Nord-Ouest, conformément à la demande du gouvernement de cette province de réduire à 66 pieds la largeur du dit grand chemin là où il suit la ligne du dit chemin de fer Manitoba et Nord-Ouest, et pour l'arpentage du dit grand chemin ainsi dévié et réduit en largeur à l'effet de le transférer plus tard à la province, suivant les plan et devis ;

Et considérant que l'arpentage ainsi autorisé a été fait par M. C. P. Brown, arpenteur fédéral, et qu'un plan en est déposé au ministère de l'Intérieur,—

Il plaît à Son Excellence, en vertu des dispositions de l'article 3 du chapitre 49 des Statuts Révisés, intitulé "Acte concernant les chemins et réserves de chemins dans la province du Manitoba," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que le grand chemin traversant la municipalité de Westbourne, dans la province du Manitoba, y compris la partie du dit grand chemin large de 66 pieds sur laquelle le chemin de fer Manitoba et Nord-Ouest est maintenant localisé et construit, selon le plan d'arpentage par C. P. Brown, arpenteur fédéral, approuvé et confirmé par l'arpenteur général le 10e jour de mars 1892, déposé au ministère de l'Intérieur, soit et il est par le présent transféré à la province du Manitoba.

JOHN J. McGEE,

Greffier du Conseil privé.

42-4

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, 25e jour de mars 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par les dispositions de "l'Acte du Revenu de l'Intérieur," chapitre 34 des Statuts Révisés du Canada, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements suivants pour la gouverne des fabricants en entrepôt licenciés en Canada, soient et ils sont par le présent adoptés :—

RÈGLEMENTS.

1. Des licences pourront être accordées pour manifacter en entrepôt les articles ci-après énumérés, savoir : le vinaigre, fulminate, savon et tous autres articles de commerce dans le procédé de manufacture desquels l'alcool est détruit, et qui ne peut être retiré des produits en résultant, sujettes aux dispositions de l'Acte du Revenu de l'Intérieur, des présents règlements ou de tous autres règlements qui pourront ci-après être passés par autorité compétente.

2. Toute manufacture en entrepôt licenciée en vertu de l'acte précité peut être fermée et privée de sa licence si jamais il est démontré à la satisfaction du ministre du Revenu de l'Intérieur qu'il y a juste cause de croire que des fraudes sont commises au préjudice du revenu par le moyen de telle manufacture.

3. En sus du prix de la licence mentionné dans l'acte précité, toute personne qui aura obtenu une "licence pour manifacter en entrepôt" devra payer au percepteur du revenu de l'intérieur, en versements mensuels, telle somme d'argent qui sera suffisante pour le remboursement des dépenses occasionnées par le département du Revenu de l'Intérieur pour la surveillance des manufactures exploitées en vertu de telle licence, et pour tenir compte des articles sujets à des droits consommés dans telle manufacture et des articles qui y sont produits. Et la somme maximum qui devra être ainsi payée par la personne susdite sera de temps à autre déterminée par le ministre du Revenu

de l'Intérieur, selon que ce dernier le jugera nécessaire, et devra être, autant que possible, en proportion de l'importance et de la nature générale des opérations faites en vertu de cette licence.

4. Les articles manufacturés en entrepôt seront sortis des appartements de la fabrique où ils ont été manufacturés aussitôt que les procédés de manufacture auront été complétés, et seront alors placés dans des appartements ou hangars réservés à cette fin, et seront soit entreposés selon les règlements d'entrepôt alors en vigueur, ou déclarés à la sortie de la fabrique pour droit, le droit étant perçu d'après les états mensuels du fabricant comme dans le cas d'autres manufactures sujettes aux droits d'accise.

5. Toute demande de licence pour manifacter en entrepôt devra être accompagnée d'une spécification ou formule de tous les articles devant être manufacturés en vertu de cette licence, telle spécification ou formule devant exposer en détail les quantités et proportions de tout ingrédient devant servir à la fabrication de chaque article ; sauf que dans le cas du vinaigre, la quantité réelle de chaque ingrédient à employer (à l'exception de l'eau) sera donnée pour la production de cent gallons de vinaigre étalon.

6. Les articles manufacturés en entrepôt devront être mélangés ou faits conformément à la spécification ou formule fournie avec la demande d'une licence et approuvés par le ministre du Revenu de l'Intérieur.

7. Les percepteurs et officiers en charge des manufactures en entrepôt devront voir, et ils sont par le présent requis de voir que les proportions, pourcentages et quantités énumérées dans la spécification ou formule soient observés strictement et jamais excédés ; mais si l'on s'est assuré par une épreuve d'aucun des articles fabriqués que l'alcool a été employé dans la préparation des articles en une proportion plus forte que celle mentionnée dans la dite spécification ou formule, le droit exigible sur les spiritueux sera perçu sur le surplus de l'alcool ainsi constaté, ce surplus devant être compté sur la quantité de l'article ou des articles ainsi produits depuis que la licence a été accordée ; de plus, le fabricant sera sujet à la privation de sa licence en même temps qu'aux autres pénalités mentionnées dans "l'Acte du Revenu de l'Intérieur."

8. Le dessous des planchers de tous les appartements d'entrepôt où sont déposés ou emmagasinés des spiritueux ou autres articles sujets à des droits d'accise, durant le temps de leur fabrication, devra, s'il se trouve en dessous un espace ou appartement, être lambrissé ou latté à la satisfaction de l'inspecteur.

9. Le vinaigre sujet aux droits produit dans toute manufacture en entrepôt devra être dans la proportion de 100 gallons de vinaigre étalon, contenant 6 pour 100 d'acide acétique en sus de la quantité requise pour le coupage ou employée dans la production d'autre vinaigre, pour 25 gallons de spiritueux de preuve apportés dans la manufacture et employés à sa production, avec telle addition à la quantité étalon de vinaigre qui, dans l'opinion du département du Revenu de l'Intérieur, peut raisonnablement provenir de tout autre article, tel que la bière sûre, le vin, l'acide acétique, ou tout article du même genre apporté dans la manufacture, en sus de l'alcool employé à sa production.

10. En évaluant la quantité de spiritueux employés dans une manufacture en entrepôt pendant une période quelconque, pour la production du vinaigre, l'inspecteur se guidera sur les livres tenus par le fabricant tel que le veut la loi, ou sur la quantité réelle découverte par l'inventaire, ainsi, en ajoutant à la quantité en mains au commencement de la période la quantité rentrée, et en en déduisant la quantité réelle trouvée en fonds, la différence pourra être prise comme étant la quantité employée ; néanmoins on doit allouer une certaine marge pour l'alcool qui pourrait se trouver dans le tonneau de coupage ou de composition au commencement et à la fin de la période, mais rien ne devra être alloué pour la quantité qu'on dit être en voie de fabrication dans les générateurs au commencement ou à la fin de la période pour laquelle le calcul est fait.

11. Le pourcentage de l'acide acétique contenu dans le vinaigre aussi produit dans une manufacture en entrepôt sera déterminé par telles épreuves chimiques ordinaires faites avec les appareils qui pourront être de temps à autre prescrits par règlements ou instructions du ministre du Revenu de l'Intérieur à cet effet.

12. Les officiers du revenu de l'intérieur pourront en tout temps prendre, suivant qu'ils le jugeront nécessaire, des échantillons de n'importe quel baril de vinaigre ou autre article fait dans la manufacture ou qui y aura été apporté pour en déterminer la force et la qualité. Les échantillons ainsi éprouvés seront envoyés au département pour être vérifiés, et dans le cas où la preuve faite par ce dernier différerait avec celle faite par l'officier en charge de la manufacture, l'épreuve faite par le département sera considérée comme finale.

13. Tous colis de spiritueux et tous autres articles ou matériaux apportés dans la manufacture, qu'ils soient sujets aux droits de douane ou d'accise, ou non, seront immédiatement placés dans un appartement approprié à cette fin et enfermés au moyen d'un cadenas du gouvernement dont l'unique clef sera confiée à la garde exclusive d'un officier du revenu de l'intérieur; et aucun spiritueux ou autre article ne sera enlevé de cet appartement ainsi fermé à clef si ce n'est en présence de l'officier qui est le gardien actuel de la clef; et en sa présence chaque article sorti de l'appartement fermé sera immédiatement transporté à la salle de coupage ou à celle où il doit être utilisé et appliqué aux fins qu'on se propose.

14. Tous colis contenant des spiritueux expédiés à des manufactures en entrepôt auront les mots "non potables" imprimés sur les deux bouts du colis, en lettres de pas moins de deux pouces de hauteur, $\frac{3}{4}$ de pouce de largeur, et d'une couleur différente de celle employée pour les autres marques sur le colis.

15. Soit que les spiritueux soient indigènes ou importés, la marque sera apposée par le vendeur avant qu'ils ne laissent sa fabrique; mais si le fabricant en entrepôt est lui-même l'importateur, il fera apposer la marque à un port de douane, et avant de quitter la douane où les spiritueux sont examinés.

16. Les spiritueux ne seront transportés à une manufacture en entrepôt que sur un permis contresigné par le percepteur; ce permis portera les mots "non potable," écrits distinctement en travers de sa face.

17. Si la manufacture en entrepôt et la fabrique de l'expéditeur sont situées dans des divisions distinctes, une copie du permis (K 4, qui, dans ce cas sera fait en double) devra accompagner la facture, et les spiritueux seront consignés au percepteur de la division destinataire.

18. Le double du permis doit être désigné comme tel, et sur le talon du permis ce double pourra être constaté en référant au numéro général primitif.

19. Dans tous les cas, le percepteur doit dépêcher un fonctionnaire en sus du fonctionnaire en charge de la manufacture en entrepôt, afin de peser et éprouver les spiritueux, et voir à ce qu'ils soient mis sous clef dans la manufacture en entrepôt, et de certifier le fait par écrit sur le permis.

20. Les spiritueux ne seront pas enlevés d'une manufacture en entrepôt sans la permission par écrit du ministre du Revenu de l'Intérieur, et alors seulement jusqu'à une autre manufacture ou une distillerie licenciée.

21. Le mots "non potables" seront mis bien visiblement sur toutes les déclarations de mutation, ou autres documents officiels, employés en rapport avec le transport de spiritueux à une manufacture en entrepôt.

22. Il ne sera emmagasiné dans les manufactures aucun article autre que ceux qui doivent entrer dans la fabrication des articles énumérés dans la spécification ou formule accompagnant la demande d'une licence.

23. Toute marque d'accise faite sur un colis quelconque dans lequel des articles sujets aux droits sont transportés dans une manufacture en entrepôt devra être complètement effacée et enlevée de ce colis aussitôt qu'il est vidé.

24. Il ne sera pas permis à une personne licenciée comme fabricant en entrepôt de faire le commerce de vente ou achat de spiritueux ou boissons spiritueuses dans la maison pour laquelle telle licence a été prise, non plus que dans une maison située dans un rayon de cinq cents verges de telle maison licenciée, à moins que tels achat et vente soient une conséquence nécessaire du genre d'affaires pour lequel la licence aura été accordée, et que permission pour exercer tel genre d'affaires soient spécialement accordée dans la licence.

25. Il ne sera apporté dans une manufacture en entrepôt aucun spiritueux dont les droits auront été acquittés (excepté les articles sur lesquels la différence entre les droits d'accise et de douane a été payée en vertu du statut 49 Victoria, chapitre 34, section 234.)

26. Attendu que par le 234e article de l'acte du parlement du Canada, 49 Vic., chap. 34, intitulé "Acte du Revenu de l'Intérieur," il est statué que lorsque des articles n'étant pas de la provenance du Canada, sur lesquels un droit d'accise aurait été prélevé s'ils eussent été produits en Canada, seront introduits dans une manufacture à l'entrepôt, la différence entre les droits d'accise dont ils auraient été ainsi frappés et les droits de douane qui auraient été prélevés sur ces articles, s'ils eussent été importés et déclarés pour la consommation, sera payée comme droit d'accise lorsque ces articles seront introduits dans la manufacture à l'entrepôt; mais dans le cas de spiritueux destinés à être employés seulement pour des fins chimiques ou de manufacture, les dispositions précédentes du présent article pourront être modifiées en tout ou en partie, par le Gouverneur en conseil, pourvu qu'il n'en résulte aucune augmentation de droits."—Il a plu à Son Excellence en conseil, en conformité des dispositions précitées d'ordonner, et il est par le présent ordonné, que le droit exigible sur les spiritueux étrangers, lorsque portés dans aucune manufacture en entrepôt dûment licenciée, sera déterminé au taux de trente centins (30c.) par gallon de preuve.

27. Des magasinsiers (*stock books*) seront tenus dans la manufacture, dans lesquels seront inscrits :—

1. La quantité de chaque espèce d'articles ou de denrées apportés à la manufacture et son équivalent en spiritueux, et dans le cas de spiritueux les détails de chaque colis, spécifiant où ils ont été fabriqués, la force et quantité, les marques, etc., sur les barils, et le numéro général des permis en vertu desquels ils ont été transportés à la fabrique;

2. La quantité de chaque espèce d'articles ou de denrées employés à la production des articles fabriqués, faits dans la fabrique, et son équivalent en spiritueux, donnant les détails de chaque quantité mélangée, indiquant les marques, etc., des colis primitifs d'où ils ont été pris;

3. La quantité de chaque espèce d'articles ou de denrées enlevés de la fabrique, ou dont on a disposé autrement que pour la production des articles fabriqués ou faits;

4. La quantité de chaque espèce d'articles ou de denrées fabriqués, faits ou produits chaque jour;

5. La quantité du produit fabriqué enlevé de la fabrique;

6. La quantité déclarée pour l'entrepôt, et

7. La quantité sortie de l'entrepôt et déclarée pour le paiement du droit à la sortie de l'entrepôt.

28. Tout vinaigre sortant des générateurs et ayant une force de 3 pour 100 ou plus d'acide acétique devra être transporté directement aux récipients fermés, et là devra être jaugé et éprouvé avant d'être pris pour le coupage ou autrement.

La quantité requise pour le "coupage" lorsqu'elle n'excèdera pas la quantité mentionnée dans la spécification ou formule, sera donnée par le fonctionnaire quand il en sera requis, et à la fin du mois la quantité totale prise sera déduite de la production totale de vinaigre dans la fabrique, laissant la balance comme la quantité réelle de vinaigre imposable produite.

29. A compter du premier jour de juillet 1888, il ne sera rien alloué au fabricant pour les quantités de spiritueux supposées être en voie de fabrication dans les générateurs, le département se désistant de toute réclamation contre le fabricant pour un nombre équivalent de gallons de vinaigre étalon, aucune telle quantité ne sera non plus prise en considération dans tout inventaire ou répartition qui aurait à être faite en cas de déficit dans la production.

30. Quand du vinaigre est transporté des générateurs à travers des appartements non fermés à clef de la fabrique, il devra être transporté dans des tuyaux fermés convenablement assujétis.

31. Si l'inspecteur des manufactures en entrepôt, ou tout autre officier supérieur de l'accise en aucun temps en visitant une manufacture en entrepôt, remarque quelque chose qui, dans son opinion, pourrait causer une perte de revenu ou gêner sa perception,

ou qui pourrait présenter des facilités pour la fraude, il est autorisé de donner des instructions quant aux changements qu'il croira à propos pour la protection convenable du revenu, et le fabricant ou son agent se conformera à ces instructions; et si ces changements ne sont pas faits dans le cours de dix jours sa licence lui sera retirée.

32. Tous arrêtés en conseil relatifs à la manufacture d'articles en entrepôt déjà émis ou établis, sont par le présent annulés.

33. Le ministre du Revenu de l'Intérieur pourra établir les épreuves pour déterminer le pourcentage de spiritueux libres contenus dans le vinaigre, et pourra disposer de tout vinaigre trouvé contenant ces spiritueux libres, selon qu'il jugera nécessaire pour la protection convenable du revenu.

Lundi, le 4e jour d'avril 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence après avoir pris en considération le tarif des péages sur les canaux du Canada, et les divers arrêtés en conseil en vertu desquels un taux spécial a été, de temps à autre, établi temporairement sur certains produits alimentaires passant par le canal Welland et par les canaux du Saint-Laurent en destination de Montréal et de ports à l'est de Montréal, d'ordonner, en vertu des pouvoirs qui lui sont conférés par le chapitre 37 des Statuts Révisés, intitulé “Acte concernant le département des Chemins de fer et Canaux,” et par et de l'avis du Conseil Privé de la Reine pour le Canada, que les modifications suivantes soient, et elles sont par le présent apportées au tarif des péages en vigueur sur les dits canaux, savoir :—

Une remise sera faite d'une partie des péages perçus sur le blé, le maïs, les pois, l'orge, le seigle, l'avoine, la graine de lin et le sarrasin qui ont passé par le canal Welland et les canaux du St-Laurent en destination de Montréal ou de tout port à l'est de Montréal, dans tous les cas où les dits produits ainsi transportés sont exportés et dans ces cas seulement.

La remise sera de nature à réduire les péages à deux centins par tonneau des dits produits ou aucun d'eux, et les conditions de cette remise seront les suivantes :

On devra démontrer que les produits susdits, sur lesquels la remise sera réclamée ont été en premier lieu expédiés en destination de Montréal ou de quelque port à l'est de Montréal, qu'ils ont été transportés à Montréal ou à quelque port à l'est de Montréal et réellement expédiés hors du pays.

Le droit à la remise susdite ne sera pas perdu par le transbordement intermédiaire, pourvu qu'il ait lieu à un endroit en dedans des limites du Canada.

Toutes parties de chargement débarquées au Port Colborne et réexpédiées du Port Dalhousie, et tous chargements des produits sus-nommés d'un port canadien du Lac Ontario, auront aussi droit à cette remise.

Le paiement du montant à être remis sera fait, de temps à autre, à mesure que les chargements des dits produits sont expédiés, en vue d'exportation, de Montréal ou de tout port à l'est de Montréal.

Le présent arrêté en conseil demeurera en vigueur pour l'année courante (1892) seulement.

Greffier du Conseil privé.

8. L'adjudicataire sera tenu de donner deux cautions à la satisfaction du département du Revenu de l'Intérieur, qui seront responsables conjointement et séparément avec le cautionnaire, jusqu'à concurrence de la somme de \$1,000 pour la parfaite exécution des conditions du bail par l'adjudicataire.

9. Le ministre du Revenu de l'Intérieur se réserve le droit de ne pas approuver le bateau passeur ou les embarcadères s'ils étaient jugés impropres pour le service, dangereux ou insuffisants pour répondre aux besoins du public, ou de reprendre le passage d'eau et le louer de nouveau. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

ATTENDU qu'une convention pour un *modus vivendi* entre Notre gouvernement et le gouvernement des Etats-Unis relativement aux pêcheries de phoques à fourrure dans la mer de Behring, a été conclue le quinzième jour de juin dans l'année de Notre-Seigneur mil huit cent quatre-vingt-onze, aux termes ci-dessous, savoir :—

“Convention entre le gouvernement de Sa Majesté Britannique et le gouvernement des Etats-Unis établissant un *modus vivendi* relativement aux pêcheries de phoques à fourrure dans la mer de Behring,—

“Dans le but d'éviter des différends irritants, et en vue d'amener un règlement à l'amiable des questions pendantes entre les deux gouvernements touchant leurs droits respectifs dans la mer de Behring, et pour la conservation des phoques comme espèce, la convention suivante est conclue sans préjudice des droits ou prétentions de l'une ou l'autre partie :—

“(1.) Le gouvernement de Sa Majesté défendra, jusqu'au mois de mai prochain, de tuer des phoques dans cette partie de la mer de Behring située à l'est d'une ligne de démarcation décrite dans l'article No 1 du traité de 1867 entre les Etats-Unis et la Russie, et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les sujets et vaisseaux britanniques ;

“(2.) Le gouvernement des Etats-Unis défendra de tuer des phoques pendant la même période dans la même partie de la mer de Behring et sur ses rives et îles, appartenant aux Etats-Unis (en sus des 7,500 qui peuvent être pris sur les îles pour la subsistance et le soin des naturels), et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les citoyens et vaisseaux des Etats-Unis ;

“(3.) Tout vaisseau ou toute personne qui violera cette défense dans les dites eaux de la mer de Behring en dehors des limites territoriales ordinaires des Etats-Unis, pourra être saisi et détenu par les officiers de marine ou autres officiers dûment commissionnés de l'une ou l'autre Haute Partie Contractante, mais ce vaisseau ou cette personne seront délivrés aussitôt que

possible aux autorités de la nation à laquelle ils appartiennent respectivement, qui seules auront juridiction pour juger l'infraction et imposer les peines encourues. Les témoins et preuves nécessaires pour établir l'infraction seront aussi envoyées en même temps que le prévenu ;

“(4.) Afin de faciliter les enquêtes que le gouvernement de Sa Majesté pourra désirer instituer dans le but de soumettre la cause du gouvernement à des arbitres, et dans l'espoir qu'un arrangement d'arbitrage pourra être conclu, il est convenu que des personnes convenables désignées par la Grande-Bretagne pourront en tout temps, sur demande à cet effet, visiter ou demeurer sur les îles à phoques, pendant la présente saison de pêche, dans ce but.

“Signée et scellée en double à Washington, ce quinzième jour de juin 1891, aux noms de leurs gouvernements respectifs, par sir Julian Pauncefote, G.C.M.G., C.C.B., Envoyé extraordinaire et ministre plénipotentiaire de S.M.B., et William F. Wharton, secrétaire d'Etat intérimaire des Etats-Unis.

“(Signé) JULIAN PAUNCEFOTE. [L.S.]

“(Signé) WILLIAM F. WHARTON.” [L.S.]

ET ATTENDU qu'un arrangement vient d'être conclu entre Notre gouvernement et le gouvernement des Etats-Unis à l'effet de continuer jusqu'au trente-unième jour d'octobre dans l'année de Notre-Seigneur mil huit cent quatre-vingt-treize, la dite convention et les dispositions qu'elle contient faisant défense de tuer des phoques dans la mer de Behring, tel que décrit dans icelle,—

SACHEZ DONC que Nous avons, par la présente proclamation royale, fait publier la dite convention et l'arrangement qui la continue, afin qu'icelle et chaque partie d'icelle soit observée et exécutée de bonne foi par nos loyaux sujets.

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre très fidèle et bien-aimé le Très-honorable Sir FREDERIC ARTHUR STANLEY, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain ; Gouverneur général du Canada.

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour du Banc de la Reine du Manitoba, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir :—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou se rattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourront, sous quatorze jours après qu'il aura été prononcé, fait ou donné, s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjoins de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excédant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'interjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qu'ils sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéniables que possède Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. Dans tous les cas d'appel admis par la dite cour, ou par Sa Majesté, ses héritiers ou successeurs, la dite cour certifiera et transmettra à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie exacte et fidèle de toute preuve, procédures, jugements, décrets et ordres rendus ou faits dans les causes en appel, en tant qu'ils se rapportent à la matière de l'appel, ces copies seront attestées par le sceau de la dite cour, et la dite cour certifiera et transmettra aussi à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie des raisons données par les juges de telle cour, ou par aucun de ces juges, pour ou contre le jugement ou décision dont appel est interjeté, lorsque ces raisons auront été données par écrit, et lorsque ces raisons auront été données oralement, alors un énoncé par écrit des raisons données par les juges de telle cour, ou par aucun des dits juges, pour ou contre le jugement ou décision dont appel est interjeté.

5. Dans tous cas d'appel à Sa Majesté, ses héritiers ou successeurs, la dite cour se conformera et exécutera ou fera exécuter tels jugements et ordres que Sa Majesté, ses héritiers ou successeurs croiront bon de rendre dans l'affaire, de la même manière que tout jugement, décret, ou ordre décrétoire de première instance, ou autre ordre ou règle de la dite cour aurait dû ou aurait pu être exécuté.

Et le Très-honorable Lord Knutsford, un des principaux secrétaires d'Etat de Sa Majesté donnera les instructions nécessaires en conséquence.

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, 25^e jour de mars 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par les dispositions de "l'Acte du Revenu de l'Intérieur," chapitre 34 des Statuts Révisés du Canada, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements suivants pour la gouverne des fabricants en entrepôt licenciés en Canada, soient et ils sont par le présent adoptés :—

RÈGLEMENTS.

1. Des licences pourront être accordées pour manifacter en entrepôt les articles ci-après énumérés, savoir : le vinaigre, fulminate, savon et tous autres articles de commerce dans le procédé de manufacture desquels l'alcool est détruit, et qui ne peut être retiré des produits en résultant, sujettes aux dispositions de l'Acte du Revenu de l'Intérieur, des présents règlements ou de tous autres règlements qui pourront ci-après être passés par autorité compétente.

2. Toute manufacture en entrepôt licenciée en vertu de l'acte précité peut être fermée et privée de sa licence si jamais il est démontré à la satisfaction du ministre du Revenu de l'Intérieur qu'il y a juste cause de croire que des fraudes sont commises au préjudice du revenu par le moyen de telle manufacture.

3. En sus du prix de la licence mentionné dans l'acte précité, toute personne qui aura obtenu une "licence pour manifacter en entrepôt" devra payer au percepteur du revenu de l'Intérieur, en versements mensuels, telle somme d'argent qui sera suffisante pour le remboursement des dépenses occasionnées par le département du Revenu de l'Intérieur pour la surveillance des manufactures exploitées en vertu de telle licence, et pour tenir compte des articles sujets à des droits consommés dans telle manufacture et des articles qui y sont produits. Et la somme maximum qui devra être ainsi payée par la personne susdite sera de temps à autre déterminée par le ministre du Revenu

de l'Intérieur, selon que ce dernier le jugera nécessaire et devra être, autant que possible, en proportion de l'importance et de la nature générale des opérations faites en vertu de cette licence.

4. Les articles manufacturés en entrepôt seront sortis des appartements de la fabrique où ils ont été manufacturés aussitôt que les procédés de manufacture auront été complétés, et seront alors placés dans des appartements ou hangars réservés à cette fin, et seront soit entreposés selon les règlements d'entrepôt alors en vigueur, ou déclarés à la sortie de la fabrique pour droit, le droit étant perçu d'après les états mensuels du fabricant comme dans le cas d'autres manufactures sujettes aux droits d'accise.

5. Toute demande de licence pour manifacter en entrepôt devra être accompagnée d'une spécification ou formule de tous les articles devant être manufacturés en vertu de cette licence, telle spécification ou formule devant exposer en détail les quantités et proportions de tout ingrédient devant servir à la fabrication de chaque article ; sauf que dans le cas du vinaigre, la quantité réelle de chaque ingrédient à employer (à l'exception de l'eau) sera donnée pour la production de cent gallons de vinaigre étalon.

6. Les articles manufacturés en entrepôt devront être mélangés ou faits conformément à la spécification ou formule fournie avec la demande d'une licence et approuvés par le ministre du Revenu de l'Intérieur.

7. Les percepteurs et officiers en charge des manufactures en entrepôt devront voir, et ils sont par le présent requis de voir que les proportions, pourcentages et quantités énumérées dans la spécification ou formule soient observées strictement et jamais excédés ; mais si l'on s'est assuré par une épreuve d'aucun des articles fabriqués que l'alcool a été employé dans la préparation des articles en une proportion plus forte que celle mentionnée dans la dite spécification ou formule, le droit exigible sur les spiritueux sera perçu sur le surplus de l'alcool ainsi constaté, ce surplus devant être compté sur la quantité de l'article ou des articles ainsi produits depuis que la licence a été accordée ; de plus, le fabricant sera sujet à la privation de sa licence en même temps qu'aux autres pénalités mentionnées dans "l'Acte du Revenu de l'Intérieur."

8. Le dessous des planchers de tous les appartements d'entrepôt où sont déposés ou emmagasinés les spiritueux ou autres articles sujets à des droits d'accise, durant le temps de leur fabrication, devra, s'il se trouve en dessous un espace ou appartement, être lambrissé ou latté à la satisfaction de l'inspecteur.

9. Le vinaigre sujet aux droits produit dans toute manufacture en entrepôt devra être dans la proportion de 100 gallons de vinaigre étalon, contenant 6 pour 100 d'acide acétique en sus de la quantité requise pour le coupage ou employée dans la production d'autre vinaigre, pour 25 gallons de spiritueux de preuve apportés dans la manufacture et employés à sa production, avec telle addition à la quantité étalon de vinaigre qui, dans l'opinion du département du Revenu de l'Intérieur, peut raisonnablement provenir de tout autre article, tel que la bière sûre, le vin, l'acide acétique, ou tout article du même genre apporté dans la manufacture, en sus de l'alcool employé à sa production.

10. En évaluant la quantité de spiritueux employés dans une manufacture en entrepôt pendant une période quelconque, pour la production du vinaigre, l'inspecteur se guidera sur les livres tenus par le fabricant tel que le veut la loi, ou sur la quantité réelle découverte par l'inventaire, ainsi, en ajoutant à la quantité en mains au commencement de la période la quantité rentrée, et en en déduisant la quantité réelle trouvée en fonds, la différence pourra être prise comme étant la quantité employée ; néanmoins on doit allouer une certaine marge pour l'alcool qui pourrait se trouver dans le tonneau de coupage ou de composition au commencement et à la fin de la période, mais rien ne devra être alloué pour la quantité qu'on dit être en voie de fabrication dans les générateurs au commencement ou à la fin de la période pour laquelle le calcul est fait.

11. Le pourcentage de l'acide acétique contenu dans le vinaigre aussi produit dans une manufacture en entrepôt sera déterminé par telles épreuves chimiques ordinaires faites avec les appareils qui pourront être de temps à autre prescrits par règlements ou instructions du ministre du Revenu de l'Intérieur à cet effet.

12. Les officiers du revenu de l'intérieur pourront en tout temps prendre, suivant qu'ils le jugeront nécessaire, des échantillons de n'importe quel baril de vinaigre ou autre article fait dans la manufacture ou qui y aura été apporté pour en déterminer la force et la qualité. Les échantillons ainsi éprouvés seront envoyés au département pour être vérifiés, et dans le cas où la preuve faite par ce dernier différerait avec celle faite par l'officier en charge de la manufacture, l'épreuve faite par le département sera considérée comme finale.

13. Tous colis de spiritueux et tous autres articles ou matériaux apportés dans la manufacture, qu'ils soient sujets aux droits de douane ou d'accise, ou non, seront immédiatement placés dans un appartement approprié à cette fin et enfermés au moyen d'un cadenas du gouvernement dont l'unique clef sera confiée à la garde exclusive d'un officier du revenu de l'intérieur; et aucun spiritueux ou autre article ne sera enlevé de cet appartement ainsi fermé à clef si ce n'est en présence de l'officier qui est le gardien actuel de la clef; et en sa présence chaque article sorti de l'appartement fermé sera immédiatement transporté à la salle de coupage ou à celle où il doit être utilisé et appliqué aux fins qu'on se propose.

14. Tous colis contenant des spiritueux expédiés à des manufactures en entrepôt auront les mots "non potables" imprimés sur les deux bouts du colis, en lettres de pas moins de deux pouces de hauteur, $\frac{3}{4}$ de pouce de largeur, et d'une couleur différente de celle employée pour les autres marques sur le colis.

15. Soit que les spiritueux soient indigènes ou importés, la marque sera apposée par le vendeur avant qu'ils ne laissent sa fabrique; mais si le fabricant en entrepôt est lui-même l'importateur, il fera apposer la marque à un port de douane, et avant de quitter la douane où les spiritueux sont examinés.

16. Les spiritueux ne seront transportés à une manufacture en entrepôt que sur un permis contresigné par le percepteur; ce permis portera les mots "non potable," écrits distinctement en travers de sa face.

17. Si la manufacture en entrepôt et la fabrique de l'expéditeur sont situées dans des divisions distinctes, une copie du permis (K 4, qui, dans ce cas sera fait en double) devra accompagner la facture, et les spiritueux seront consignés au percepteur de la division destinataire.

18. Le double du permis doit être désigné comme tel, et sur le talon du livret de permis ce double pourra être constaté en référant au numéro général primitif.

19. Dans tous les cas, le percepteur doit dépêcher un fonctionnaire en sus du fonctionnaire en charge de la manufacture en entrepôt, afin de peser et éprouver les spiritueux, et voir à ce qu'ils soient mis sous clef dans la manufacture en entrepôt, et de certifier le fait par écrit sur le permis.

20. Les spiritueux ne seront pas enlevés d'une manufacture en entrepôt sans la permission par écrit du ministre du Revenu de l'Intérieur, et alors seulement jusqu'à une autre manufacture ou une distillerie licenciée.

21. Les mots "non potables" seront mis bien visiblement sur toutes les déclarations de mutation, ou autres documents officiels, employés en rapport avec le transport de spiritueux à une manufacture en entrepôt.

22. Il ne sera emmagasiné dans les manufactures aucun article autre que ceux qui doivent entrer dans la fabrication des articles énumérés dans la spécification ou formule accompagnant la demande d'une licence.

23. Toute marque d'accise faite sur un colis quelconque dans lequel des articles sujets aux droits sont transportés dans une manufacture en entrepôt devra être complètement effacée et enlevée de ce colis aussitôt qu'il est vidé.

24. Il ne sera pas permis à une personne licenciée comme fabricant en entrepôt de faire le commerce de vente ou achat de spiritueux ou boissons spiritueuses dans la maison pour laquelle telle licence a été prise, non plus que dans une maison située dans un rayon de cinq cents verges de telle maison licenciée, à moins que tels achat et vente soient une conséquence nécessaire du genre d'affaires pour lequel la licence aura été accordée, et que permission pour exercer tel genre d'affaires soient spécialement accordée dans la licence.

25. Il ne sera apporté dans une manufacture en entrepôt aucun spiritueux dont les droits auront été acquittés (excepté les articles sur lesquels la différence entre les droits d'accise et de douane a été payée en vertu du statut 49 Victoria, chapitre 34, section 234.)

26. Attendu que par le 234^e article de l'acte du parlement du Canada, 49 Vic., chap. 34, intitulé "Acte du Revenu de l'Intérieur," il est statué que lorsque des articles n'étant pas de la provenance du Canada, sur lesquels un droit d'accise aurait été prélevé s'ils eussent été produits en Canada, seront introduits dans une manufacture à l'entrepôt, la différence entre les droits d'accise dont ils auraient été ainsi frappés et les droits de douane qui auraient été prélevés sur ces articles, s'ils eussent été importés et déclarés pour la consommation, sera payée comme droit d'accise lorsque ces articles seront introduits dans la manufacture à l'entrepôt; mais dans le cas de spiritueux destinés à être employés seulement pour des fins chimiques ou de manufacture, les dispositions précédentes du présent article pourront être modifiées en tout ou en partie, par le Gouverneur en conseil, pourvu qu'il n'en résulte aucune augmentation de droits."—Il a plu à Son Excellence en conseil, en conformité des dispositions précitées d'ordonner, et il est par le présent ordonné, que le droit exigible sur les spiritueux étrangers, lorsque portés dans aucune manufacture en entrepôt dûment licenciée, sera déterminé au taux de trente centins (30c.) par gallon de preuve.

27. Des magasiniers (*stock books*) seront tenus dans la manufacture, dans lesquels seront inscrits:—

1. La quantité de chaque espèce d'articles ou de denrées apportés à la manufacture et son équivalent en spiritueux, et dans le cas de spiritueux les détails de chaque colis, spécifiant où ils ont été fabriqués, la force et quantité, les marques, etc., sur les barils, et le numéro général des permis en vertu desquels ils ont été transportés à la fabrique;

2. La quantité de chaque espèce d'articles ou de denrées employés à la production des articles fabriqués, faits dans la fabrique, et son équivalent en spiritueux, donnant les détails de chaque quantité mélangée, indiquant les marques, etc., des colis primitifs d'où ils ont été pris;

3. La quantité de chaque espèce d'articles ou de denrées enlevés de la fabrique, ou dont on a disposé autrement que pour la production des articles fabriqués ou faits;

4. La quantité de chaque espèce d'articles ou de denrées fabriqués, faits ou produits chaque jour;

5. La quantité du produit fabriqué enlevé de la fabrique;

6. La quantité déclarée pour l'entrepôt, et

7. La quantité sortie de l'entrepôt et déclarée pour le paiement du droit à la sortie de l'entrepôt.

28. Tout vinaigre sortant des générateurs et ayant une force de 3 pour 100 ou plus d'acide acétique devra être transporté directement aux récipients fermés, et là devra être jaugé et éprouvé avant d'être pris pour le coupage ou autrement.

La quantité requise pour le "coupage" lorsqu'elle n'excèdera pas la quantité mentionnée dans la spécification ou formule, sera donnée par le fonctionnaire quand il en sera requis, et à la fin du mois la quantité totale prise sera déduite de la production totale de vinaigre dans la fabrique, laissant la balance comme la quantité réelle de vinaigre impossible produite.

29. A compter du premier jour de juillet 1888, il ne sera rien alloué au fabricant pour les quantités de spiritueux supposées être en voie de fabrication dans les générateurs, le département se désistant de toute réclamation contre le fabricant pour un nombre équivalent de gallons de vinaigre étalon, aucune telle quantité ne sera non plus prise en considération dans tout inventaire ou répartition qui aurait à être faite en cas de déficit dans la production.

30. Quand du vinaigre est transporté des générateurs à travers des appartements non fermés à clef de la fabrique, il devra être transporté dans des tuyaux fermés convenablement assujétis.

31. Si l'inspecteur des manufactures en entrepôt, ou tout autre officier supérieur de l'accise en aucun temps en visitant une manufacture en entrepôt, remarque quelque chose qui, dans son opinion, pourrait causer une perte de revenu ou gêner sa perception,

ou qui pourrait présenter des facilités pour la fraude, il est autorisé de donner des instructions quant aux changements qu'il croira à propos pour la protection convenable du revenu, et le fabricant ou son agent se conformera à ces instructions; et si ces changements ne sont pas faits dans le cours de dix jours sa licence lui sera retirée.

32. Tous arrêtés en conseil relatifs à la manufacture d'articles en entrepôt déjà émis ou établis, sont par le présent annulés.

33. Le ministre du Revenu de l'Intérieur pourra établir les épreuves pour déterminer le pourcentage de spiritueux libres contenus dans le vinaigre, et pourra disposer de tout vinaigre trouvé contenant ces spiritueux libres, selon qu'il jugera nécessaire pour la protection convenable du revenu.

CONSIDÉRANT qu'il appert que la marque "Our Gem," choisie comme type pour la fleur de farine dite "Straight roller" par le bureau de délégués qui s'est réunie le 22 octobre 1891 dans le but de choisir des types pour la fleur de farine, était, quant à la couleur, d'une qualité trop élevée pour satisfaire les exigences du marché,—

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte d'inspection générale," chapitre 99 des Statuts Révisés, tel que modifié par l'Acte 32 Vic., chapitre 16, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et prescrire que le dit type soit et il est par le présent rejeté, et que la marque "White Star" soit et elle est par le présent substituée comme type pour la fleur de farine dite "Straight roller" à compter du 1er jour d'avril 1892.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, la Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comité ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comité ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DESPATCHES.

AT THE COURT AT WINDSOR,

The 16th day of March, 1892.

PRESENT :

The QUEEN'S Most Excellent Majesty.

Lord President,
 Duke of Rutland,
 Marquess of Salisbury,
 Lord Chamberlain.

WHEREAS by an Act of the Parliament of Manitoba passed in the 48th year of Her Majesty's reign, chapter 48, entitled "An Act respecting the Court of Queen's Bench," it was enacted that Her Majesty's

Court of Queen's Bench for Manitoba should exist and continue under the name and style of "Her Majesty's Court of Queen's Bench for Manitoba," and that it was and should continue to be a court of original and appellate jurisdiction, and should possess and exercise all such powers and authorities as by the laws of England are incident to a Superior Court of Record of civil and criminal jurisdiction, in all matters civil and criminal whatsoever, but no provision has yet been made for the prosecution and regulation of appeals to Her Majesty in Council from the said Court ;

And whereas it is expedient that provision should be made by this Order to enable parties to appeal from the decisions of the said Court to Her Majesty in Council, it is hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, as follows :—

1. Any person or persons may appeal to Her Majesty, Her heirs and successors, in Her or their Privy Council, from any final judgment, decree, order, or sentence of the said Court of Queen's Bench of Manitoba, in such manner, within such time, and under and subject to such rules, regulations, and limitations as are hereinafter mentioned, that is to say :

In case any such judgment, decree, order, or sentence shall be given or pronounced for or in respect of any sum or matter at issue above the amount or value of three hundred pounds sterling (£300) or in case such judgment, decree, order, or sentence shall involve directly or indirectly any claim, demand, or question to or respecting property or any civil right amounting to or of the value of three hundred pounds sterling (£300) the person or persons feeling aggrieved by any such judgment, decree, order, or sentence may, within fourteen days next after the same shall have been pronounced, made or given, apply to the said court by motion or petition for leave to appeal therefrom to Her Majesty, her heirs and successors, in her or their Privy Council ;

In case such leave to appeal be prayed by the party or parties who is or are directed to pay any such sum of money or perform any duty, the said court may either direct that the judgment, decree, order, or sentence appealed from shall be carried into execution, or that the execution thereof shall be suspended pending the said appeal, as to the said court may appear to be most consistent with real and substantial justice ;

And in case the said court shall direct such judgment, decree, order, or sentence to be carried into execution, the person or persons in whose favour the same shall be given shall, before the execution thereof, enter into good and sufficient security to be approved by the said court for the due performance of such order as Her Majesty, her heirs and successors, shall think fit to make upon such appeal ;

2. It shall be lawful for the said Supreme Court at its discretion, on the motion or petition of any party who considers himself aggrieved by any preliminary or interlocutory judgment, decree, order, or sentence of the said Supreme Court, to grant permission to such party to appeal against the same to Her Majesty, her heirs and successors, in her or their Privy Council,

subject to the same rules, regulations, and limitations as are herein expressed respecting appeals from final judgments, decrees, orders, and sentences.

3. Nothing herein contained doth or shall extend or be construed to extend to take away or abridge the undoubted right and authority of Her Majesty, her heirs and successors, upon the humble petition of any person or persons aggrieved by any judgment or determination of the said court, at any time to admit his, her, or their appeal therefrom, upon such terms as Her Majesty, her heirs or successors, shall think fit, and to reverse, correct, or vary such judgment or determination in such manner as to Her Majesty, Her heirs and successors, shall seem meet.

4. In all cases of appeal admitted by the said court, or by Her Majesty, her heirs or successors, the said court shall certify and transmit to Her Majesty, her heirs or successors, in her or their Privy Council, a true and exact copy of all evidence, proceedings, judgments, decrees, and orders had or made in such cases appealed so far as the same have relation to the matter of appeal, such copies to be certified under the seal of the said court, and the said court shall also certify and transmit to Her Majesty, her heirs and successors, in her or their Privy Council, a copy of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against, where such reasons shall have been given in writing, and where such reasons shall have been given orally, then a statement in writing of the reasons given by the judges of such court, or by any such judges, for or against the judgment or determination appealed against.

MILITIA GENERAL ORDERS.

HEADQUARTERS.

OTTAWA, 12th May, 1892.

GENERAL ORDERS (9).

INSPECTIONS.

1. Inspection reports of all arms will be sent in to headquarters within eight days of the completion of the inspection. Those of Artillery and Engineers will be filled in, as far as possible, by the Inspecting Officer at the time of inspection, and transmitted to the Deputy Adjutant General of the District, who will complete them (if necessary) and forward them to headquarters. The comparative efficiency return will be made out and sent in with the Inspection report.

2. Inspections will be divided into two parts :—

1. In quarters.
2. In the field.

In making the inspection in quarters, the Inspecting Officer will examine the regimental, troop or company armouries, the reserve arms, equipment and clothing held on charge by the corps, and the ledgers and other books connected therewith. He will examine the system pursued for the issue of orders, register of correspondence and regimental records, and all other matters connected with the discipline and interior economy of the corps. He will inspect the company service rolls and company record of discharges, and report how far the provisions of the Militia Act and the regulations in respect of enlistment and discharge are carried out. He will likewise examine the officers *viva voce* in the general principles of drill and tactics.

At the inspection of Infantry in the field, the Inspecting Officer will dismount and inspect each company individually in order that he may be able to judge of the condition of arms and clothing, and of the physique of the men. The Captains will then be called upon to put their companies through the movements and formations of a company. When the companies are of a less strength than 16 files, the drill will be in single rank. The Commanding Officer and Majors will be called upon to drill the battalion giving the instructions for each movement. There are few places where ground is not available for drill of a practical kind, and where it is necessary to march some distance to such ground, an inspection in the principles of route marching and advanced and rear guards can be carried out.

At the inspection of Cavalry in camps of instruction, one day is to be allotted to the drill of individual squadrons, and another to that of the regiment under the Commanding Officer and Major.

3. It is not necessary that the inspection in quarters, and that in the field, should be carried out on the same day. The former, as well as the examination of officers, can be made in the evening, and with due consideration for the general convenience of officers.

4. The form to be used in making the comparative efficiency return of Infantry and Cavalry is attached hereto.

5. Inspecting Officers are reminded that a review and a march past, or other ceremonial movements, do not constitute an inspection, nor are they even a necessary part of it. The object of an inspection is to ascertain and record the state of organization, and the value of the work done in each corps.

- 1 Instructor of Musketry.
- 1 Orderly Officer (if the camp exceeds 1500 men).
- 5 N. C. Officers.

2. At Niagara and Kingston there will further be an Artillery Staff consisting :—

- 1 Officer Commanding the Brigade.
- 1 Brigade Major.
- 2 N. C. Officers.

3 At the Belleville and Ottawa camps, the staff will consist of :—

- 1 Commandant.
- 1 Adjutant and Quartermaster.
- 2 N. C. Officers.

2. *System of Instruction.*

Officers commanding camps of instruction are held responsible that the system of instruction laid down in General Orders (13) 17th July, 1891, is strictly adhered to, and copies of the same are provided for this purpose.

It was noted last year that commanding officers of cavalry had not sufficiently mastered regimental movements to be able to give instruction to their regiments. Their attention is drawn to Part III, Cavalry Regulations, 1885, sections 11 and 12, in which they will be required to show proficiency.

3. *Duties in camp.*

The following duties will be furnished in camp.

1. A main guard to be furnished by the Permanent Corps in camp.

2. An in-lying picquet for police duties to be furnished by each battalion. The men detailed for picquet will not be excused from drill.

Regimental quarter and rear guards will only be furnished on Sundays.

Where no men of the Permanent Corps are present the main guard will be furnished by the Active Militia by roster of battalions.

4. *Artillery Practice at Camps of Instruction.*

The following number of rounds are allowed for instructional practice, to batteries in camp where a range is available, viz :—

Common shell, percussion fuze..... 24
Shrapnel " time fuze 5 sec. or 15 sec.. 8

The above detail will be taken if possible from the battery reserve—the shells to be filled, wads or primers inserted, and securely plugged—no other ammunition will be brought to camp.

5. *Pay.*

Officers whose employment on the Staff is authorized will be entitled to the regimental pay of their rank.

In the case of officers of the Permanent Corps so employed, their pay will be drawn on their Regimental pay-lists as usual, and not on the Staff pay-list.

Officers of the Permanent Staff will draw the ordinary rates of pay laid down for the appointments they hold.

6. *Allowances.*

2. The following allowances in lieu of rations are approved :

Commandant..... \$5 per diem.
Officers Commanding, Artillery
Brigades..... \$3 a day.
Staff officers if approved at Headquarters..... \$2.50 per diem.
Artillery Brigade Majors..... \$2 a day.
Non-commissioned officers attached to Staff if similarly employed..... 50 cents per diem.

The above to be in addition to daily pay.

Forage will be allowed for horses of Staff officers if present in camp and employed in the performance of their duties.

3. The Supply Officer and Camp Quartermaster will each be allowed one day before the arrival and after the departure of troops, for making necessary arrangements, closing accounts, &c., for which days, pay and allowances will be drawn.

4. Officers commanding corps will arrange for their Quartermasters to be in camp one day before the arrival of the corps in camp and one day after their departure. An allowance of one dollar a day in addition to pay will be given for those days and for the first day in camp, in lieu of rations.

Quartermasters failing to comply with this regulation will be struck off the pay-lists, and will be required to return to their homes at their own expense.

Staff will be allowed in the proportion laid down in General Orders (6), 23rd May, 1890, except in the case of the camps at Ottawa and Belleville.

7. Transport.

Attention is drawn to Regulations and Orders, 1887, paragraphs 367 to 374.

The Deputy Adjutant General of the District will furnish transport requisitions for all corps proceeding to and from camp. The routes selected will always be the most direct. If the journey is by more than one line of railway or public conveyance, separate requisitions will be paid for each independent line.

Transport will only be allowed for those officers and men whose names are borne on the pay-list of a corps ordered to camp, or whose employment on the staff has been approved at headquarters.

With reference to paragraph 373, the allowance of 4 cents therein authorized is extended to dismounted men of cavalry or artillery for every mile marched over 6 and under 25 in going to or from camp.

8. Rations.

The issue of rations will commence on the morning after the arrival of the troops in camp, but the Commandant of the camp may use his discretion as to the issue of a half ration on the day of arrival, and a half ration on the day of departure, instead of a full ration on the latter day.

Officers commanding corps will make arrangements for the men under their command bringing cooked rations with them to camp on the first day.

For this purpose an allowance in lieu of rations of 25 cents per officer and man is granted, together with 35 cents per horse in lieu of forage for the day of arrival in camp.

Fuel will be issued as laid down in Regulations and Orders, 1887, paragraph 649.

9. Camp equipment.

Necessary tents and two blankets per officer and man will be supplied under the provisions of Regulations and Orders, 1887, paragraph 743-753.

Each officer and man proceeding to camp will provide himself with a knife, fork and spoon, tin plate and tin drinking cup.

Each company must provide for its own use one butcher's knife, one meat fork, one shovel and one axe.

Each battalion will provide its own camp kettles and cooking utensils.

An allowance of 6 dollars per troop or company and 10 dollars per battery of artillery, will be allowed to each corps providing its own camp kettles.

10. Medical regulations.

A medical inspection of every officer, non-commissioned officer and man, is to be made, if possible, before the men leave the corps' headquarters; when that is not possible, then immediately after the corps goes into camp.

This inspection is with a view of ascertaining; Whether any man is laboring under disease at that time, such as rheumatic affections, diseases of lungs or heart, or of the viscera of the abdomen, or any form of venereal disease, or is short-sighted, has any disease or injuries of any of the joints, badly shaped feet, or overlapping toes, which would prevent his marching; or if he has any other disqualification, which may render him unfit for service, or predispose him to become inefficient under exposure.

Such men are not to be permitted to go to, or remain in camp. On receipt of the report of the Principal Medical Officer, the Commandant of the camp will immediately issue transport requisitions to their homes.

The Principal Medical Officer under direction of the Commandant will establish one hospital for the camp, where patients will be attended to by the Medical Officers of their respective corps. Medicines will be issued by the Principal Medical Officer from the box of medicines, provided to him for that purpose.

The Surgeon of each Battalion and Field Battery will make out a sick report every morning, and trans-

mit a copy to the Principal Medical Officer, who will keep an admission, and discharge book, of all cases taken into hospital, according to Form B. (No. 283.)

Each Principal Medical Officer will give a receipt for all articles of medical equipment which may be issued to him for the use of the Brigade, for the care and proper expenditure of which he will be responsible; and on being relieved from duty he will return all medical stores, articles of equipment and medicine remaining unexpended into the District Stores, with a list of the materials which have been expended by him, on complying with which his receipt will be returned to him.

Wine or spirituous liquor, as may be prescribed for use in case of illness must be paid for by the person requiring the same.

No expense to be incurred by medical officers on account of the Government, without previous authority for such being obtained.

Where camps are formed at the stations of Permanent Corps, the hospital of that corps will be made the station hospital, and the Medical Officer of the station will act as Principal Medical Officer.

11. Target Practice.

Each man must expend, under proper supervision, the number of rounds authorized for that purpose, viz: 20 rounds, in individual firing.

In addition to the above, 5 rounds per man will be allowed for volley firing by sections, when that practice can be carried out.

Distances, dimensions of target, and position of man firing.	Rounds.	5 rounds at 100 P.		300 "		400 "

Between 30 and 40 points as 2nd class shots.

Less than 30 as 3rd class shots.

All the above orders to be carried out strictly in accordance with the Musketry Regulations.

12. Reports.

Officers commanding camps of instruction will send in reports to Headquarters within ten days (10) of the closing of the camp.

(These reports are not to be confused with the annual report of each Deputy Adjutant General on the state of his district.)

The reports will include :

- (a.) A return of the strength of corps in camp ;
- (b.) A return of the daily work done in camp with a view to showing the system of instruction adopted ;
- (c.) A return of the cases treated in hospital ;
- (d.) A return of musketry practice, specifying the best shots in regiments and in camp ;
- (e.) Form A. G. O., No. 215 duly completed.

The reports should be short and concise, and all extraneous matter should be avoided.

They will state in their reports that this order has been strictly complied with.

"Convention entre le gouvernement de Sa Majesté Britannique et le gouvernement des Etats-Unis établissant un *modus vivendi* relativement aux pêcheries de phoques à fourrure dans la mer de Behring,—

"Dans le but d'éviter des différends irritants, et en vue d'amener un règlement à l'amiable des questions pendantes entre les deux gouvernements touchant leurs droits respectifs dans la mer de Behring, et pour la conservation des phoques comme espèce, la convention suivante est conclue sans préjudice des droits ou prétentions de l'une ou l'autre partie :—

"(1.) Le gouvernement de Sa Majesté défendra, jusqu'au mois de mai prochain, de tuer des phoques dans cette partie de la mer de Behring située à l'est d'une ligne de démarcation décrite dans l'article No 1 du traité de 1867 entre les Etats-Unis et la Russie, et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les sujets et vaisseaux britanniques ;

Les témoins et preuves nécessaires pour établir l'infraction seront aussi envoyées en même temps que le prévenu ;

"(4.) Afin de faciliter les enquêtes que le gouvernement de Sa Majesté pourra désirer instituer dans le but de soumettre la cause du gouvernement à des arbitres, et dans l'espoir qu'un arrangement d'arbitrage pourra être conclu, il est convenu que des personnes convenables désignées par la Grande-Bretagne pourront en tout temps, sur demande à cet effet, visiter ou demeurer sur les îles à phoques, pendant la présente saison de pêche, dans ce but.

DÉPÊCHES.

AU CHATEAU DE WINDSOR,

Le 16e jour de mars 1892.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.

Le Lord Président,

Le Duc de Rutland,

Le Marquis de Salisbury,

Le Lord Chambellan.

CONSIDÉRANT que par un acte du parlement du Manitoba, passé en la 48e année du règne de Sa Majesté, chapitre 48, intitulé "Acte concernant la Cour du Banc de la Reine," il est statué que la Cour du Banc de la Reine pour le Manitoba devra exister et continuer sous le titre de "Cour du Banc de la Reine pour le Manitoba," et qu'elle était et continuerait d'être une cour de juridiction de première instance et d'appel, et devra posséder et exercer tous les pouvoirs et l'autorité conférés par les lois d'Angleterre à une cour supérieure d'archives de juridiction civile et criminelle, dans toutes matières civiles et criminelles que ce soit, mais qu'il n'a pas encore été fait de disposition pour la poursuite et le règlement des appels de la dite cour à Sa Majesté en conseil.

Et considérant qu'il est à propos que des dispositions soient établies par le présent arrêté pour permettre aux parties d'interjeter appel des décisions de la dite cour à Sa Majesté en conseil,—il est par le présent ordonné, par Sa Très-Excellente Majesté, par et avec l'avis de son Conseil privé, comme suit :—

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour du Banc de la Reine du Manitoba, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir :—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou serattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourront, sous quatorze jours après qu'il aura été prononcé, fait ou donné, s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjoins de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit

ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excédant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'interjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qui sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéniables que possède Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. Dans tous les cas d'appel admis par la dite cour, ou par Sa Majesté, ses héritiers ou successeurs, la dite cour certifiera et transmettra à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie exacte et fidèle de toute preuve, procédures, jugements, décrets et ordres rendus ou faits dans les causes en appel, en tant qu'ils se rapportent à la matière de l'appel, ces copies seront attestées par le sceau de la dite cour, et la dite cour certifiera et transmettra aussi à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie des raisons données par les juges de telle cour, ou par aucun de ces juges, pour ou contre le jugement ou décision dont appel est interjeté, lorsque ces raisons auront été données par écrit, et lorsque ces raisons auront été données oralement, alors un énoncé par écrit des raisons données par les juges de telle cour, ou par aucun des dits juges, pour ou contre le jugement ou décision dont appel est interjeté.

5. Dans tous cas d'appel à Sa Majesté, ses héritiers ou successeurs, la dite cour se conformera et exécutera ou fera exécuter tels jugements et ordres que Sa Majesté, ses héritiers ou successeurs croiront bon de rendre dans l'affaire, de la même manière que tout jugement, décret, ou ordre décrétaire de première instance, ou autre ordre ou règle de la dite cour aurait dû ou aurait pu être exécuté.

Et le Très-honorable Lord Knutsford, un des principaux secrétaires d'Etat de Sa Majesté donnera les instructions nécessaires en conséquence.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

VU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces nets étaient relevés entre 9 a.m., et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

Rets à maquereau.

1. Nuls rets à maquereau, hareng ou gaspereau employés dans le but de prendre du maquereau, du hareng ou du gaspereau ne seront tendus ou laissés tendus à la surface ou dans les douze pieds de la

surface de l'eau entre 9 heures a.m. et 5 heures p.m., depuis le 1er jour de juin jusqu'au 31e jour d'août inclusivement, de chaque année, et tous rets trouvés dans l'eau durant les heures ci-dessus mentionnées, alors que les conditions de température sont telles que ces rets puissent être relevés, seront confisqués au bénéfice de Sa Majesté, et le propriétaire ou celui qui les emploie sera passible de toutes autres peines que la loi décerne.

2. Nulle flotte de rets à mailler d'une plus grande longueur que 60 brasses ne sera tendue dans un même ancrage entre le 1er jour de juin et le 31e jour d'août, ces deux jours inclusivement, sous peine des amendes prescrites par la loi.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

One near to and south of Keshkabuon Island, in Thunder Bay. This is a rock covered with about 2 feet water.

The third reef is south of Corbay Point Lighthouse. Bachewanaung Bay, covered with from 5 to 6 feet water. This reef seems to be a continuation southward of that shown on the chart.

Lat. N. 46° 52' 35"

There is said to be a steamboat channel between this reef and the lighthouse.

PORT HOPE LIGHT.

The light maintained by the Harbour Commissioners of the Town of Port Hope, on the north shore of Lake Ontario, is now fixed white instead of fixed red and white, as described on Admiralty Charts Nos. 797 and 1152, and in Canadian List of Lights No. 179.

The following is a full description of the establishment:—

The lighthouse is a square wooden tower painted white, and stands on the breakwater protecting the east side of the harbour, at a distance of 110 feet from its extremity.

Lat. N. 44° 56' 20"
Long. W. 78° 14' 30"

The height of the tower, from the base to the vane on the lantern, is 44 feet.

The light is fixed white, and consists of two gas jets in an open lantern, at a height of 40 feet above the level of the lake.

The light should be visible 4 miles from all points seaward. It was first established in 1868.

Until 1st December last the tower stood about 250 feet from the end of the pier, and within 60 feet of the end a red lantern was hung. At that time the lighthouse was moved to its present position and the red lantern dispensed with.

ORDRES GÉNÉRAUX DE MILICE.

QUARTIERS GÉNÉRAUX.

Ottawa, 12 mai 1892.

ORDRES GÉNÉRAUX (9).

INSPECTIONS.

1. Les rapports de l'inspection des armes du service seront envoyés aux quartiers généraux dans les huit jours qui suivront l'inspection. Ceux de l'artillerie et des ingénieurs seront faits, autant que possible, par l'officier inspecteur, lors de l'inspection, et transmis au député adjutant général du district, qui devra les compléter, au besoin, et les envoyer aux quartiers généraux. L'état comparatif de l'efficacité accompagnera le rapport d'inspection.

2. Les inspections seront divisées en deux parties :

1. En quartiers.

2. En campagne.

En faisant l'inspection en quartiers l'officier inspecteur examinera les arsenaux des régiments, des troupes ou des compagnies, les armes de réserve, l'équipement et les habillements confiés à ces corps, les livres de comptabilité et autres en usage. Il examinera aussi le système suivi dans la manière de donner les ordres, la tenue du registre de la correspondance et des archives régimentaires, ainsi que toutes matières ayant rapport à la discipline et à l'économie intérieure du corps. Il fera l'inspection des rôles de service des compagnies et le record des décharges, il mentionnera également si les dispositions de l'Acte de la milice et les règlements au sujet des enrôlements et des décharges, ont été mis en force. L'officier inspecteur examinera les officiers *viva voce*, sur les principes généraux des exercices et de la tactique militaires.

Lorsque l'infanterie sera en campagne, l'officier inspecteur fera, à pied, l'examen de chaque compagnie, individuellement, afin de s'assurer de l'état des armes, des habillements et du physique des soldats. Les capitaines seront alors appelés à faire exécuter par leurs compagnies les divers mouvements et formations. Lorsque les compagnies compteront moins de 16 par rangée, les exercices se feront sur un seul rang. Les officiers commandants et les majors seront appelés à faire exécuter les exercices de bataillon, donnant les explications de chaque mouvement. Il y a peu d'endroits où le terrain ne permet pas de faire des manœuvres pratiques, et lorsqu'il y a lieu de parcourir une certaine distance pour se rendre à ce terrain ; une inspection d'après les principes concernant la route de marche peut être faite quant à l'avant-garde et l'arrière-garde.

A l'inspection de la cavalerie en camp, une journée sera consacrée aux exercices d'escadron, individuellement, et une journée aux exercices de régiment sous les ordres de l'officier commandant et du major.

3. Il n'est pas nécessaire que l'inspection "en quartiers" se fasse le même jour que l'inspection "en campagne." Celle-là, ainsi que l'examen des officiers, peut avoir lieu le soir, suivant la commodité des officiers.

4. Ci-après se trouve la formule dont on se servira pour l'état comparatif d'efficacité de l'infanterie et de la cavalerie.

5. Les officiers inspecteurs se rappelleront qu'une revue et un défilément, ou autres mouvements de cérémonie, ne constituent pas une inspection, et n'en font pas même nécessairement partie. Le but d'une inspection est de s'assurer de l'état de l'organisation de chaque corps, ainsi que de la valeur du travail de ce corps, et d'en prendre note.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur révision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Mr. Thos. A. Keefer, Inspector of Fisheries on Lake Superior, reports the existence of reefs, not marked on the Admiralty Charts, at three points on Lake Superior, as follows:—

One near to and south of Keshkabuon Island, in Thunder Bay. This is a rock covered with about 2 feet water.

Long. W. 88° 50' 10"

A reef south-west of Vert Island, in Neepigon Bay, covered with from 4 to 6 feet water.

The third reef is south of Corbay Point Lighthouse, Bachewanaung Bay, covered with from 5 to 6 feet water. This reef seems to be a continuation southward of that shown on the chart.

Lat. N. 46° 52' 35"

There is said to be a steamboat channel between this reef and the lighthouse.

PORT HOPE LIGHT.

The light maintained by the Harbour Commissioners of the Town of Port Hope, on the north shore of Lake Ontario, is now fixed white instead of fixed red and white, as described on Admiralty Charts Nos. 797 and 1152, and in Canadian List of Lights No. 179.

The following is a full description of the establishment:—

The lighthouse is a square wooden tower painted white, and stands on the breakwater protecting the east side of the harbour, at a distance of 110 feet from its extremity.

Lat. N. 44° 56' 20"
Long. W. 78° 14' 30"

The height of the tower, from the base to the vane on the lantern, is 44 feet.

The light is fixed white, and consists of two gas jets in an open lantern, at a height of 40 feet above the level of the lake.

The light should be visible 4 miles from all points seaward. It was first established in 1868.

Until 1st December last the tower stood about 250 feet from the end of the pier, and within 60 feet of the end a red lantern was hung. At that time the lighthouse was moved to its present position and the red lantern dispensed with.

RÈGLEMENTS POUR LES CAMPS DE LA MILICE RURALE.

1. Commandement et état-major.

Toutes les troupes en camp, soit les corps permanents ou autres, seront sous le commandement de l'officier nommé commandant du camp.

Une liste approuvée des officiers d'état-major sera envoyée aux députés-adjudants-généraux pour insertion dans les Ordres Généraux de District.

L'état-major sera dans les proportions suivantes :

1. A tous les camps, à l'exception de ceux d'Ottawa et Belleville, l'état-major sera composé de :

- 1 commandant.
- 1 officier médical en chef.
- 1 major de brigade.
- 1 officier pourvoyeur.
- 1 quartier-maitre de camp.
- 1 instructeur de mousqueterie.
- 1 officier du jour (si le camp compte plus de 1,500 soldats.
- 5 sous-officiers.

2. A Niagara et à Kingston, il y aura, en sus, un état-major d'artillerie composé de :

- 1 officier commandant la brigade.
- 1 major de brigade.
- 2 sous-officiers.

3. A Belleville et à Ottawa, l'état-major sera composé de :

- 1 commandant.
- 1 adjutant et quartier-maitre.
- 2 sous-officiers.

2. Système d'instruction.

Les officiers commandant les camps d'instruction sont tenus responsables et doivent s'assurer que le système d'instruction suivi est tel que prescrit dans les Ordres Généraux (13) du 17 juillet 1891, dont des exemplaires sont fournis pour cette fin.

Il a été constaté l'an dernier que des officiers commandants des corps de cavalerie, n'étaient pas au courant des mouvement régimentaires, et ils ne pouvaient en conséquence donner l'instruction. Ils sont priés de voir la partie III des Règlements de la Cavalerie, 1885, sections 11 et 12, lesquelles sont nécessaires pour leur instruction.

3. Devoir en camp.

Les devoirs qui suivent seront faits en camp :—

1. Une grand'garde sera fournie par les corps permanents en camp.

2. Un piquet remplissant les devoirs de police sera nommé par chaque bataillon. Les soldats choisis pour ce service devront faire les exercices.

Les gardes des quartiers régimentaires et les arrières-gardes ne seront fournis que les dimanches.

Là où il n'y a pas de soldats des corps permanents, la garde sera fournie par la milice active, d'après le rôle des bataillons.

4. Pratique de l'artillerie aux camps d'instruction.

Aux camps où une cible est pourvue, les batteries recevront le nombre suivant de gargousses pour la pratique d'instruction, savoir :—

Bombe commune, fusée percutante.....	24
Obus à balles de Shrapnel, fusée de durée,	
5 sec. ou 15 sec.....	8

Ceci sera fourni, si possible, par la réserve de la batterie—les bombes seront remplies et on y insérera les bourres ou les capsules en les tamponnant avec soin—aucune autre munition ne sera apportée au camp.

5. Solde.

Les officiers dont l'emploi à l'état-major est autorisé, auront droit à la solde de leur rang régimentaire.

Les officiers ainsi employés et qui appartiennent aux corps permanents, seront payés, comme d'habitude, sur la liste de leurs régiments, et non pas sur celle de l'état-major.

Les officiers de l'état-major permanent recevront la solde accordée à leurs positions respectives.

6. Allocations.

Les allocations qui suivent, au lieu de rations, sont approuvées :

Commandant.....	\$5 par jour.
Officiers commandants, brigades d'artillerie.....	\$3 par jour.
Officiers d'état-major approuvés aux quartiers généraux.....	\$2.50 par jour.
Major de brigade d'artillerie....	\$2 par jour.
Sous-officiers attachés à l'état-major, pareillement employés.	50 cts. par jour.

Ces allocations sont en sus de la paye quotidienne. Le fourrage est pourvu pour les chevaux des officiers étant au camp et à leur service.

3. L'officier préposé aux approvisionnements et le quartier-maitre du camp recevront la paye et les allocations pour la journée précédent immédiatement l'ouverture du camp, et la journée qui suivra immédiatement la levée, afin de leur permettre de faire les préparatifs nécessaires, clore les comptes, etc.

4. Les officiers commandant les corps verront à ce que leurs quartiers-maitres respectifs arrivent au camp

la veille de l'ouverture et y soient le lendemain de la levée. Une allocation de \$1 sera allouée pour ces jours et le premier en camp, en lieu de rations.

Les noms des quartiers-maître qui ne se conformeront point à ce règlement seront biffés du bordereau de paye, et ils s'en retourneront à leurs domiciles à leurs propres dépens.

L'état-major sera dans la proportion prescrite par les Ordres Généraux (6) du 23 mai 1890, à l'exception des camps à Ottawa et Belleville.

7. Transport.

L'attention est attirée sur les Règlements et Ordonnances, 1887, paragraphes 367 à 374.

Le député-adjutant-général accordera des réquisitions de transport pour tous les corps allant et venant au camp. On choisira toujours les routes les plus directes. Si le voyage se fait par plus d'une ligne de chemin de fer ou par autres moyens de communication, des réquisitions distinctes seront payées pour les différentes lignes.

Le transport ne sera alloué que pour les officiers et soldats dont les noms paraissent sur le bordereau de paye d'un corps qui a reçu l'ordre de camper, ou dont l'emploi avec l'état-major a été approuvé aux quartiers-généraux.

L'allocation de 4 centins autorisée par le paragraphe 373, est aussi accordée aux soldats de cavalerie et d'artillerie, non montés pour chaque mille, au delà de 6 et au-dessous de 25 milles parcouru en allant ou revenant du camp.

8. Rations.

Les rations feront données à partir du matin de l'arrivée des troupes au camp, mais le commandant du camp, suivant sa discrétion, pourra n'accorder qu'une demi-ration lors de l'arrivée et une autre demi-ration lors du départ, au lieu d'une pleine ration dans ce dernier cas.

Les officiers commandant les différents corps verseront à ce que leurs soldats apportent des rations cuites à l'ouverture du camp.

Dans ce but une allocation est faite de 25 centins par officier et par soldat, au lieu de rations, et 35 centins par cheval au lieu de fourrage, pour le jour de l'arrivée au camp.

Le combustible sera fourni tel que prescrit par les Règlements et Ordonnances de 1887, paragraphe 649.

9. Équipement des camps.

Les tentes nécessaires et deux couvertes seront accordées à chaque officier et à chaque soldat, conformément aux Règlements et Ordonnances de 1887, paragraphes 743 à 753.

Tout officier ou soldat allant au camp apportera un couteau, une fourchette et une cuillère, ainsi qu'une assiette et une tasse en fer-blanc.

Chaque compagnie devra se pourvoir d'un couteau de boucher, d'une grande fourchette, une pelle et une hache.

Chaque bataillon apportera sa batterie de cuisine.

Une allocation de \$6 par troupe ou compagnie, et \$10 par batterie d'artillerie sera accordée aux corps apportant leur batterie de cuisine.

10. Règlements médicaux.

Une inspection médicale des officiers, sous-officiers et soldats doit avoir lieu avant le départ des quartiers-généraux; si cela est impossible elle devra se faire immédiatement à l'arrivée au camp.

Cette inspection a pour but : Savoir si aucun soldat n'est atteint d'une maladie, à son entrée au camp, tel que douleurs rhumatismales, maladies de poumons ou de cœur, ou des viscères de l'abdomen, ou d'aucune sorte de maladie vénérienne, ou s'il est myope, souffre des jointures, a les pieds mal formés, ou si les orteilles se recourbant de manière à lui nuire dans la marche; de savoir si pour une cause quelconque il est empêché de faire le service, ou s'il le deviendrait dans l'exercice des devoirs militaires.

De tels soldats ne doivent pas aller au camp ou y être tolérés. Sur rapport de l'officier médical en chef, le commandant du camp accordera des réquisitions de transport pour le retour de ces soldats à leurs domiciles.

L'officier médical en chef, sous la direction du commandant, établira un hôpital pour le camp, où les malades recevront les soins des officiers médicaux de leurs corps respectifs. L'officier médical en chef sera pourvu d'une boîte de médecines pour l'usage du camp.

Le chirurgien de tout bataillon et batterie de campagne soumettra son rapport, tous les matins, à l'officier de santé en chef, sur l'état des malades, et ce dernier gardera un registre (Formule B. No. 283) de leur entrée à l'hôpital et de leur sortie.

Tout officier de santé en chef donnera un reçu pour les articles qu'il aura obtenus pour l'usage de la brigade, et pour le soin et la disposition desquels il est tenu responsable. En terminant ses fonctions il retournera au magasin du district, tous les articles en mains, ainsi que les médicaments restants; il fournira une liste des matières employées, sur quoi il pourra retirer le reçu donné pour ces articles.

Les vins ou liqueurs fortes ordonnés aux malades doivent être payés par les personnes à qui elles sont prescrites.

Les officiers de santé ne doivent faire aucune dépense à la charge du gouvernement sans autorité.

Dans le cas où un camp se tient à un endroit où se trouve un corps permanent, l'hôpital de ce corps servira pour le camp, et son officier médical agira comme officier médical en chef.

11. Tir à la cible.

Chaque soldat sous la surveillance nécessaire, est tenu de tirer le nombre de cartouches qu'il reçoit, c'est-à-dire 20 pour le tir individuel.

En sus de cela, 5 cartouches pour chaque homme seront allouées pour le tir à la volée, par sections, s'il peut avoir lieu.

Distances, dimensions des cibles, et position du tireur.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. I. GRINDSTONE ISLAND FOG ALARM AGAIN IN OPERATION.

Referring to Notice to Mariners No. 13 of 1892, the Steam Fog Alarm on Grindstone Island, in the Bay of Fundy, Province of New Brunswick, is again in operation, repairs having been completed.

It is intended during the present season to remove the site of this fog alarm to the extreme south-west point of the Island, in front of the lighthouse.

Due notice will be given of the completion of the work, which will probably cause no discontinuance of the alarm.

II. PROPOSED CHANGE IN POSITION OF STEAM FOG ALARMS AT FORTEAU.

It is proposed during the coming summer season to remove the Steam Fog Horn and Steam Whistle at Point Amour Light Station, on the Labrador Coast of the Strait of Belle Isle, from their present positions to the westward of the lighthouse towers, and to establish duplicate horns in a new building on the extreme point, south or in front of and under the lighthouse.

Lat. N. 51° 27' 40"
Long. W. 56° 51' 0"

This change will be made in such a manner that there will be no interruption of the service, as one of the present alarms will be kept in working order until a machine is established in the new building.

Due notice will be given of the completion of the change.

This notice affects Admiralty Charts Nos. 232*b*, 282, 284 and 1631, and Canadian List of Lights and Fog Signals No. 3.

PORT HOPE LIGHT.

The light maintained by the Harbour Commissioners of the Town of Port Hope, on the north shore of Lake Ontario, is now fixed white instead of fixed red and white, as described on Admiralty Charts Nos. 797 and 1152, and in Canadian List of Lights No. 179.

The following is a full description of the establishment:—

The lighthouse is a square wooden tower painted white, and stands on the breakwater protecting the east side of the harbour, at a distance of 110 feet from its extremity.

Lat. N. 44° 56' 20"
Long. W. 78° 14' 30"

The height of the tower, from the base to the vane on the lantern, is 44 feet.

The light is fixed white, and consists of two gas jets in an open lantern, at a height of 40 feet above the level of the lake.

The light should be visible 4 miles from all points seaward. It was first established in 1868.

Until 1st December last the tower stood about 250 feet from the end of the pier, and within 60 feet of the end a red lantern was hung. At that time the lighthouse was moved to its present position and the red lantern dispensed with.

All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District in which a newspaper is published.

In any other Province or Territory.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County or District, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County or District in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the Clerk of the Senate, or the accountant of the House of Commons (as the case may be) a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

The fee payable on any Private Bill is paid only in the House in which it originates.

No Petition for a Private Bill is received by either House after the first ten days of the session.

EDOUARD J. LANGEVIN,
Clerk of the Senate.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Due notice will be given of the completion of the work, which will probably cause no discontinuance of the alarm.

II. PROPOSED CHANGE IN POSITION OF STEAM FOG ALARMS AT FORTEAU.

It is proposed during the coming summer season to remove the Steam Fog Horn and Steam Whistle at Point Amour Light Station, on the Labrador Coast of the Strait of Belle Isle, from their present positions to the westward of the lighthouse towers, and to establish duplicate horns in a new building on the extreme point, south or in front of and under the lighthouse.

Lat. N. 51° 27' 40"

Long. W. 56° 51' 0"

This change will be made in such a manner that there will be no interruption of the service, as one of the present alarms will be kept in working order until a machine is established in the new building.

Due notice will be given of the completion of the change.

This notice affects Admiralty Charts Nos. 232b, 282, 284 and 1631, and Canadian List of Lights and Fog Signals No. 3.

ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 6^e jour de juin 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des dispositions du chapitre 34 des Statuts Révisés, intitulé "Acte du Revenu de l'Intérieur," et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire les règlements suivants en vertu desquels les spiritueux, le tabac et les cigares pourront être sortis de l'entrepôt, exempts de droits d'accise, pour approvisionnement de navires sur les lignes régulières de vapeurs transocéaniques, savoir :

1. Ces effets, lorsqu'ils sont envoyés d'un endroit autre que le port de partance de la ligne de vapeurs, seront déclarés à la sortie de l'entrepôt de la même manière que les effets destinés à l'exportation, l'obligation ordinaire étant donnée et les effets consignés à l'ordre du percepteur du revenu de l'intérieur de la division qui renferme le port d'où les effets doivent quitter le pays.

2. Avant que des effets aient ainsi la permission d'être déclarés à la sortie de l'entrepôt, dans une division quelconque, la ligne de vapeurs sur laquelle ils doivent être employés, sera d'abord approuvée par le ministère.

3. Ces effets ne seront consignés et livrés qu'à des lignes de vapeurs approuvées partant d'un port où est stationné un percepteur du revenu de l'intérieur.

4. La compagnie possédant cette ligne de vapeurs donnera une obligation en la somme de \$5,000 à l'effet que ces effets ne seront employés sur ces vapeurs qu'en pleine mer, et ne seront en aucun cas débarqués de nouveau en Canada sans la permission expresse du ministère, obtenue dans chaque cas.

5. Le capitaine ou autre officier dûment autorisé du vapeur sur lequel ces effets sont livrés, en donnera un reçu écrit en double, et ces effets seront dans tous les cas accompagnés à bord du vapeur par un officier du revenu de l'intérieur, et par lui délivrés au capitaine ou autre officier dûment autorisé.

6. Le percepteur de la division d'où part la ligne de vapeurs transmettra au percepteur de la division d'où les effets sont expédiés, une copie du reçu du capitaine ou autre officier dûment autorisé du vapeur constatant la livraison, lequel reçu sera aussi contresigné par l'officier qui a accompagné les effets à bord du vapeur, et ce reçu sera une autorisation de canceller l'obligation donnée lors de la déclaration des effets à la sortie de l'entrepôt.

7. Chaque percepteur transmettra au ministère du Revenu de l'Intérieur à Ottawa un état mensuel, indiquant en détail le nom de la personne qui aura sorti les effets de l'entrepôt, le numéro de la déclaration

pour l'exportation, la nature et la quantité des effets et la ligne de vapeurs à laquelle ils ont été consignés ou livrés. Le percepteur du port de livraison donnera en sus le nom du vapeur.

8. La quantité des effets sujets aux droits d'accise ainsi livrés en un seul et même temps sera une quantité raisonnable requise pour un voyage, dont le ministère du Revenu de l'Intérieur sera juge.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 24th day of May, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, in view of the alarming decline of the Bass fishery, in the St. John River, in the Province of New Brunswick, and the necessity of taking stringent measures to save this important industry from utter ruin, is pleased, under the provisions of "The Fisheries Act," chapter 95 of the Revised Statutes, section 16, and by and with the advice of the Queen's Privy Council for Canada, to order that fishing for Bass in any manner whatever shall be and the same is hereby prohibited during a period of three (3) years from the 1st May, 1892, in the waters of the St. John River and its tributaries flowing through the Counties of St. John, King's, Queen's, Sunbury and York, in the Province of New Brunswick.

JOHN J. MCGEE,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 25th day of May, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it has been represented to His Excellency that on account of the small size of the lobsters on a certain section of the coasts of the Province of Prince Edward Island, the enforcement of the size limit of nine inches provided by the existing regulations would effect a practical closure of the lobster canneries of that district;

And whereas it is also represented that the addition of fifteen days to the close season for Lobsters on these coasts would be a fair equivalent for the suspension of the size limit, as the number of lobsters that would thus be saved from the pack during the present season would work as effectual a means for the preservation of the lobster as the enforcement of the size limit during the whole open season,—

His Excellency is therefore pleased, under the provisions of "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, to order that section 4 of the General Fishery Regulations for the Province of Prince Edward Island, established by the

Order in Council of the 18th day of July, 1889, chapter 73 of the Consolidated Orders in Council of Canada, as well as the Regulation affecting the Lobster Fishery, established by the Order in Council of the 28th day of January, 1891, so far as they relate to that portion of the coasts of the Province of Prince Edward Island, extending from Cape Traverse in an eastwardly and northwardly direction to East Point, thence in a westwardly direction to the north side of North Cape, and to that portion only, shall be and the same are hereby suspended, and within the said limits no person shall fish for, catch, kill, buy, sell or have in possession (without lawful excuse) any lobsters between the first day of July one thousand eight hundred and ninety-two and the first day of January, one thousand eight hundred and ninety-three.

JOHN J. MCGEE,
Clerk, Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, under the provisions of chapter 34 of the Revised Statutes, intituled "The Inland Revenue Act," and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following Regulations under which spirits, tobacco and cigars may be ex-warehoused, free of Excise duty for ships stores on regular lines of transoceanic steamers, viz :—

3rd. Such goods shall only be consigned and delivered to approved lines of steamers sailing from a port where a Collector of Inland Revenue is stationed.

4th. The company owning such line of steamers shall give a bond in the sum of \$5,000 that such goods shall only be used on such steamers while on the high seas and shall in no case be relanded in Canada without the specific permission of the Department, obtained in each case.

5th. The master or other duly authorized officer of the steamer to which such goods are delivered, shall give a receipt in writing, in duplicate, therefor, and such goods shall in all cases be accompanied on board the steamer by an officer of Inland Revenue and by him delivered to the master or other duly authorized officer.

6th. 7th. A monthly statement shall be forwarded to the Inland Revenue Department at Ottawa by each Collector, showing in detail the name of the person who ex-warehoused the goods, the number of the export entry, the nature and quantity of the goods and the line of steamers to which consigned or delivered. The Collector of the port where delivered shall in addition state the name of the steamer.

8th. The quantity of excisable goods so delivered at any one time shall be a reasonable quantity required for a voyage, of which the Department of Inland Revenue shall be the judge.

JOHN J. MCGEE,
Clerk, Privy Council.

NOTICE TO MARINERS.

No. 23 of 1892.

QUADRA ROCK, IN HOUSTON STEWART CHANNEL.

A rock, not marked on the charts, in Houston Stewart Channel, near the entrance to Rose Harbour, Queen Charlotte Islands, on which the Dominion Government steamer "Quadra" struck on the 14th ult., has been examined by the Navigating Officer of Her Majesty's ship "Champion."

It lies midway between Ross Island and Ellen Island, and consists of a shoal patch 360 feet long by 180 feet wide; the two shoalest parts at either extreme, with least depth 6 feet at low water spring tides, and 12 to 14 feet in other places.

Lat. N. 52° 8' 42"
Long. W. 131° 6' 26"

Soundings of from 5 to 7 fathoms were obtained off the edge of the shoal. The bottom was rock and could be distinctly seen at high water. The shoal was marked at slack water by two small patches of kelp at either end, and when the flood and ebb streams were running it was marked by overfalls and tide ripples. The rise of tide at spring was observed to be 16 feet.

It was noted that the Admiralty plan of Houston Stewart Channel on chart No. 2168, is merely a rough sketch, none of the points or islands being rightly placed. Annette, Fairfax and Charles Islands are actually twice as large as shown on the plan, and the channel between Forsyth Point and Annette Island is not more than 3 cables wide.

This notice affects Admiralty charts Nos. 1923a, 2168 and 2430, and page 486 of the British Columbia Pilot, 1888.

II. MIDDLE BEACON ON STURGEON BANK DISAPPEARED.

Last autumn the most northerly of the three beacons driven on Sturgeon Bank, near the mouth of the Fraser River, in the Strait of Georgia, British Columbia, disappeared. This spring the middle beacon was also carried away. This is the beacon described in Part II, Notice to Mariners No. 46 of 1891.

It is proposed to replace these beacons by new pile clusters, during the present season.

This notice affects Admiralty charts Nos. 579, 1917, 1922 and 2689.

HEAD OF BOIS BLANC ISLAND RANGE LIGHTS.

The wooden structures, from which the range lights at the head of Bois Blanc Island were exposed, have been replaced by iron skeleton towers triangular in plan, with oval slatted targets or beacons at their tops. Both towers are on the sites of the old buildings.

The front range building stands 300 feet from the extreme north point of the Island, and is 70 feet high. The tower and target are painted white.

The light will be fixed white as heretofore, and will be elevated 70 feet above the level of the river.

PRÉSENTE :

SA TRÈS-EXCELLENTE MAJESTÉ LA REINE
EN CONSEIL.

CONSIDÉRANT que par l'Acte du monnayage, 1891, il est statué comme suit :—

"1. Il sera loisible à Sa Majesté, par un arrêté en conseil, d'ordonner que les pièces d'or du royaume qui n'ont pas été rappelées par proclamation et sont au-dessous du moindre poids courant tel qu'établi par l'Acte du monnayage, 1870, seront, si elles n'ont pas été illégalement traitées, et sous telles conditions quant au temps, la manière et l'ordre de présentation qui seront mentionnés dans l'arrêté, échangées ou payées par ou de la part de la Monnaie à leur valeur nominale.

"2. Pour les fins du présent acte, une pièce d'or sera censée avoir été illégalement traitée lorsque la pièce a été altérée, diminuée, ou allégée autrement que par l'usage raisonnable, ou a été mutilée en y étampant quelque nom, mot, devise ou numéro, que la pièce ait été ou non par là diminuée ou allégée";

Et considérant qu'il est à propos de pourvoir à l'échange de ces pièces d'or,—

Toutes pièces d'or du royaume qui n'ont pas été rappelées par proclamation et sont au-dessous du moindre poids courant, tel qu'établi par l'Acte du monnayage, 1870, seront, en tout temps après le dix-septième jour de mars 1892, si elles n'ont pas été illégalement traitées, échangées ou payées par ou de la part de la Monnaie à leur valeur nominale, à la condition toutefois qu'elles soient offertes durant les heures d'affaires à la banque d'Angleterre à Londres, en rouleaux d'une valeur nominale de pas moins de cent louis chacun, et soient laissées là pendant tel temps avant l'échange ou le paiement qui pourra être raisonnablement nécessaire pour examen et pesée afin de s'assurer si quelque pièce a été illégalement traitée dans le sens du dit acte.

Et le maître de la Monnaie royale de Sa Majesté est par le présent enjoint de mettre à exécution les dispositions du dit acte pour échanger ou payer à leur valeur nominale toutes telles pièces qui seront ainsi offertes, et qui n'auront pas été illégalement traitées.

ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 6e jour de juin 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu des dispositions du chapitre 34 des Statuts Révisés, intitulé "Acte du Revenu de l'Intérieur," et par et avec l'avis du

Conseil privé de la Reine pour le Canada, de faire les règlements suivants en vertu desquels les spiritueux, le tabac et les cigares pourront être sortis de l'entrepôt, exempts de droits d'accise, pour approvisionnement de navires sur les lignes régulières de vapeurs transocéaniques, savoir :

1. Ces effets, lorsqu'ils sont envoyés d'un endroit autre que le port de partance de la ligne de vapeurs, seront déclarés à la sortie de l'entrepôt de la même manière que les effets destinés à l'exportation, l'obligation ordinaire étant donnée et les effets consignés à l'ordre du percepteur du revenu de l'intérieur de la division qui renferme le port d'où les effets doivent quitter le pays.

2. Avant que des effets aient ainsi la permission d'être déclarés à la sortie de l'entrepôt, dans une division quelconque, la ligne de vapeurs sur laquelle ils doivent être employés, sera d'abord approuvée par le ministre.

3. Ces effets ne seront consignés et livrés qu'à des lignes de vapeurs approuvées partant d'un port où est stationné un percepteur du revenu de l'intérieur.

4. La compagnie possédant cette ligne de vapeurs donnera une obligation en la somme de \$5,000 à l'effet que ces effets ne seront employés sur ces vapeurs qu'en pleine mer, et ne seront en aucun cas débarqués de nouveau en Canada sans la permission expresse du ministre, obtenue dans chaque cas.

5. Le capitaine ou autre officier dûment autorisé du vapeur sur lequel ces effets sont livrés, en donnera un reçu écrit en double, et ces effets seront dans tous les cas accompagnés à bord du vapeur par un officier du revenu de l'intérieur, et par lui délivrés au capitaine ou autre officier dûment autorisé.

6. Le percepteur de la division d'où part la ligne de vapeurs transmettra au percepteur de la division d'où les effets sont expédiés, une copie du reçu du capitaine ou autre officier dûment autorisé du vapeur constatant la livraison, lequel reçu sera aussi contresigné par l'officier qui a accompagné les effets à bord du vapeur, et ce reçu sera une autorisation de canceler l'obligation donnée lors de la déclaration des effets à la sortie de l'entrepôt.

7. Chaque percepteur transmettra au ministre du Revenu de l'Intérieur à Ottawa un état mensuel, indiquant en détail le nom de la personne qui aura sorti les effets de l'entrepôt, le numéro de la déclaration pour l'exportation, la nature et la quantité des effets et la ligne de vapeurs à laquelle ils ont été consignés ou livrés. Le percepteur du port de livraison donnera en sus le nom du vapeur.

8. La quantité des effets sujets aux droits d'accise ainsi livrés en un seul et même temps sera une quantité raisonnable requise pour un voyage, dont le ministre du Revenu de l'Intérieur sera juge.

Greffier du Conseil Privé.

APPEL.

Un appel sera fait dans chaque corps de la milice active à la fin des exercices annuels.

Le payeur du district fera cet appel, en présence du député-adjutant-général, ou autre officier désigné dans ce but et qui prendra le commandement de la parade.

Aucun bordereau de paie, de troupe, batterie ou compagnie ne doit porter plus de noms que le nombre autorisé à retirer la solde par les règlements et les ordres généraux.

L'officier inspecteur doit comparer les bordereaux de paie avec le rôle du corps inspecté (Ordres Généraux (9), 12 mai 1892, paragraphe 2).

L'assemblée des corps montés aura lieu à cheval sur le champ de parade, et il n'est pas permis de dépasser les chiffres autorisés, ni dans les corps montés ni dans les troupes de pied.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

16th April, 1892.

MY LORD,—I have the honour to transmit to you, for the information of the colony under your Government, the accompanying copy of an Order of Her Majesty the Queen in Council, providing for the exchange of light gold coins, under the Coinage Act, 1891.

I have to request that you will take steps to publish this order in the usual manner in the colony under your Government.

I have the honour to be,

My Lord,

Your most obedient humble servant,

(Sgd.) KNUTSFORD.

The Officer Administering
The Government of Canada.

AT THE COURT AT WINDSOR.

The 16th day of March, 1892.

PRESENT :

THE QUEEN'S MOST EXCELLENT MAJESTY IN
COUNCIL.

WHEREAS by the Coinage Act, 1891, it is enacted as follows :—

"(1.) It shall be lawful for Her Majesty, by Order in Council, to direct that gold coins of the realm which have not been called in by proclamation and are below the least current weight as provided by the Coinage Act, 1870, shall, if they have not been illegally dealt with, and subject to such conditions as to time, manner, and order of presentation as may be mentioned in the Order, be exchanged or paid for by or on behalf of the Mint at their nominal value.

"(2.) For the purposes of this Act a gold coin shall be deemed to have been illegally dealt with where the coin has been impaired, diminished, or lightened otherwise than by fair wear and tear, or has been defaced by having any name, word, device or number stamped thereon, whether the coin has or has not been thereby diminished or lightened."

AND WHEREAS it is expedient to provide for the exchange of such gold coins,—

NOW, THEREFORE, Her Majesty, by and with the advice of Her Privy Council, in pursuance of the said Act, and of all other powers enabling Her Majesty in this behalf, is pleased to order, and it is hereby ordered, as follows :

Any gold coins of the realm which have not been called in by proclamation and are below the least current weight as provided by the "Coinage Act, 1870," shall at any time after the seventeenth day of March, 1892, if they have not been illegally dealt with, be exchanged or paid for by or on behalf of the Mint at their nominal value, subject to the condition that they must be tendered during business hours at the Bank of England in London, in parcels of a nominal value not less than one hundred pounds each, and must be left there for such time before the exchange or payment as may be reasonably necessary for examination and weighing in order to ascertain whether any coin has been illegally dealt with within the meaning of the said Act.

And the Master of Her Majesty's Royal Mint is hereby directed to carry into effect the provisions of the said Act for exchanging or paying for at their nominal value all such coins as are so tendered, and have not been illegally dealt with.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 6th day of June, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency, under the authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following fishery regulation :—

JOHN J. MCGEE,

52-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 24th day of May, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency, in view of the alarming decline of the Bass fishery, in the St. John River, in the Province of New Brunswick, and the necessity of taking stringent measures to save this important industry from utter ruin, is pleased, under the provisions of "The Fisheries Act," chapter 95 of the Revised Statutes, section 16, and by and with the advice of the Queen's Privy Council for Canada, to order that fishing for Bass in any manner whatever shall be and the same is hereby prohibited during a period of three (3) years from the 1st May, 1892, in the waters of the St. John River and its tributaries flowing through the Counties of St. John, King's, Queen's, Sunbury and York, in the Province of New Brunswick.

JOHN J. MCGEE,
Clerk, Privy Council.

51-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 25th day of May, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS it has been represented to His Excellency that on account of the small size of the lobsters on a certain section of the coasts of the Province of Prince Edward Island, the enforcement of the size limit of nine inches provided by the existing regulations would effect a practical closure of the lobster canneries of that district ;

And whereas it is also represented that the addition of fifteen days to the close season for Lobsters on these coasts would be a fair equivalent for the suspension of the size limit, as the number of lobsters that would thus be saved from the pack during the present season would work as effectual a means for the preservation of the lobster as the enforcement of the size limit during the whole open season,—

His Excellency is therefore pleased, under the provisions of "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, to order that section 4 of the General Fishery Regulations for the Province of Prince Edward Island, established by the Order in Council of the 18th day of July, 1889, chapter 73 of the Consolidated Orders in Council of Canada, as well as the Regulation affecting the Lobster Fishery, established by the Order in Council of the 28th day of January, 1891, so far as they relate to that portion of the coast of the Province of Prince Edward Island, extending from Cape Traverse in an eastwardly and northwardly direction to East Point, thence in a westwardly direction to the north side of North Cape, and to that portion only, shall be and the same are hereby suspended, and within the said limits no person shall fish for,

catch, kill, buy, sell or have in possession (without lawful excuse) any lobsters between the first day of July one thousand eight hundred and ninety-two and the first day of January, one thousand eight hundred and ninety-three.

JOHN J. MCGEE,
Clerk, Privy Council.

51-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 9th day of May, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS it appears that in the Province of Prince Edward Island, persons under the pretense of spearing eels from boats carrying torches, kill salmon and trout during the season when the fish are on the spawning grounds,—

His Excellency, under the provisions of section 16 of "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following regulation for the better protection of salmon and trout in the said Province :—

Eel fishing.

No one shall fish for eels, from boats with torches, in any waters of the Province of Prince Edward Island frequented by salmon and trout, during the months of October, November and December.

JOHN J. MCGEE,
Clerk, Privy Council.

50-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 6th day of June, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency, under the provisions of chapter 34 of the Revised Statutes, intitled "The Inland Revenue Act," and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following Regulations under which spirits, tobacco and cigars may be ex-warehoused, free of Excise duty for ships stores on regular lines of transoceanic steamers, viz :—

3rd. Such goods shall only be consigned and delivered to approved lines of steamers sailing from a port where a Collector of Inland Revenue is stationed.

4th. The company owning such line of steamers shall give a bond in the sum of \$5,000 that such goods shall only be used on such steamers while on the high seas and shall in no case be relanded in Canada without the specific permission of the Department, obtained in each case.

5th. The master or other duly authorized officer of the steamer to which such goods are delivered, shall give a receipt in writing, in duplicate, therefor, and such goods shall in all cases be accompanied on board the steamer by an officer of Inland Revenue and by him delivered to the master or other duly authorized officer.

6th. 8th. The quantity of excisable goods so delivered at any one time shall be a reasonable quantity required for a voyage, of which the Department of Inland Revenue shall be the judge.

NOTICE TO MARINERS.

No. 23 of 1892.

QUADRA ROCK, IN HOUSTON STEWART CHANNEL.

A rock, not marked on the charts, in Houston Stewart Channel, near the entrance to Rose Harbour, Queen Charlotte Islands, on which the Dominion Government steamer "Quadra" struck on the 14th ult., has been examined by the Navigating Officer of Her Majesty's ship "Champion."

It lies midway between Ross Island and Ellen Island, and consists of a shoal patch 360 feet long by 180 feet wide; the two shoalest parts at either extreme, with least depth 6 feet at low water spring tides, and 12 to 14 feet in other places.

Lat. N. 52° 8' 42"
Long. W. 131° 6' 26"

Soundings of from 5 to 7 fathoms were obtained off the edge of the shoal. The bottom was rock and could be distinctly seen at high water. The shoal was marked at slack water by two small patches of kelp at either end, and when the flood and ebb streams were running it was marked by overfalls and tide ripples. The rise of tide at spring was observed to be 16 feet.

It was noted that the Admiralty plan of Houston Stewart Channel on chart No. 2168, is merely a rough sketch, none of the points or islands being rightly placed. Annette, Fairfax and Charles Islands are actually twice as large as shown on the plan, and the channel between Forsyth Point and Annette Island is not more than 3 cables wide.

This notice affects Admiralty charts Nos. 1923a, 2168 and 2430, and page 486 of the British Columbia Pilot, 1888.

II. MIDDLE BEACON ON STURGEON BANK DISAPPEARED.

Last autumn the most northerly of the three beacons driven on Sturgeon Bank, near the mouth of the Fraser River, in the Strait of Georgia, British Columbia, disappeared. This spring the middle beacon was also carried away. This is the beacon described in Part II, Notice to Mariners No. 46 of 1891.

It is proposed to replace these beacons by new pile clusters, during the present season.

This notice affects Admiralty charts Nos. 579, 1917, 1922 and 2689.

n'ont pas été rappelées par proclamation et sont au-dessous du moindre poids courant tel qu'établi par l'Acte du monnayage, 1870, seront, si elles n'ont pas été illégalement traitées, et sous telles conditions quant au temps, la manière et l'ordre de présentation qui seront mentionnés dans l'arrêté, échangées ou payées par ou de la part de la Monnaie à leur valeur nominale.

Et le maître de la Monnaie royale de Sa Majesté est par le présent enjoint de mettre à exécution les dispositions du dit acte pour échanger ou payer à leur valeur nominale toutes telles pièces qui seront ainsi offertes, et qui n'auront pas été illégalement traitées.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débetures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.
